A HUGE Thank You to parents and pupils once again for donating completed shoeboxes, items for shoeboxes and cash.

The total was **150 shoe boxes and £472 in cash** so an incredible effort and outcome.

There were plenty of parents and children helping at the workshop. Christmas will be a little brighter for many more families now.

Bottle Tops Needed!

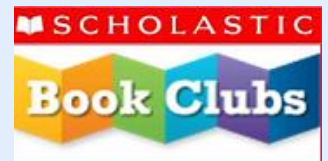

Mrs. Richards and Mrs. Peters need all your plastic bottle tops to create a collage for the science garden. Please wash them and bring them into your class teacher. Thank you!

Missing ski helmet

A ski helmet has been taken from the bike shed. It is black with large green text on the front. It belongs to Dion D in Y5M. If your child has taken this in error please would you return in next week.

Bike Shed Monitors

Is it easy to find your child's scooter or bike at the end of the day? As you know it is sometimes hard to get out your child's scooters or bikes at the end of the school day because they are usually piled on top of one another. It is especially difficult when it is wet and slippery. Radha, Katie and Freya in Year five are the bike shed monitors. They will be by the bike shed helping every morning, making sure you put your bike and scooter in a suitable area that does not block the entrance of the shed. Please can you help them to keep it tidy and it will be a lot easier to collect your child's bike or scooter at the end of the day. Thank you.

Year 6 workshop on WWII

On Friday the 3rd of November 6W and 6S went to London Corinthians' Sailing Club. We met Lotte Moore who told us about a book she has written called Lotte's War. The book is about her time in World War Two in London, as she was a child who lived through these circumstances and was evacuated out of the city.

6S and 6W had an all round fun time, and we were even allowed to try a nasty food from the time of rationing called 'frogspawn' (Mr Stock: It was actually called Tapioca!) - it tasted horrible! We had a really long walk back which hurt everyone's feet, but we really enjoyed meeting Lotte and also a Chelsea Pensioner called Jack who had fought in the Korean War.
