

Upcoming Events

16th September- Nursery children start

Eaglet News

Welcome to the first issue of our Eaglet newsletter for the 2019-20 school year! Every week an Eaglet newsletter will be issued with information on the week at school, what is happening the following week, reminders and upcoming dates for your diary.

The reception children have settled into life at St John's brilliantly and we are all very proud of how well they have started the new school year. This week all staff have really enjoyed getting to know the children and we have had lots of fun playing together. We would like to express how impressed we are with how well the children have adapted to the rules and routines. We are very excited for the upcoming school year!

Mrs Annear would like to say thank you to children and parents for making her first week at St. Johns very welcoming. She has settled in very well and already feels part of the St. Johns community.

Eaglet fund

A reminder that each child's Eaglet fund for this half term is due. The amount is £4 which can be passed on to your child's class teacher.

School uniform

Please ensure that your child is in the correct St. Johns uniform. Information about the uniform is on the school website and can be purchased at Peter Jones. This includes the PE kit. Please make sure all uniform (including book bags) is clearly labelled.

Book bags

Please can you ensure that your child also has a book bag rather than a back pack as this is more suitable for Nursery and Reception children.

Reception Parents meet the teacher

Thank you to everyone who attended the parent/teacher meetings last week. If you have any questions or queries please let us know by writing in your child's home communication book.

Reading books

Today in your child's reading pack they will have received a picture book. Please read the letter that has been emailed to you regarding guidance on using the picture books. If you have any questions, please let us know.

Stars of the week
