In light of today's events we would like to bring to your attention some useful resources that may assist you when talking to your children about terrorist attacks:

Today has been a calm day at St. John's. Mr Gorman and I have been visiting classrooms and teachers have been keeping a watchful eye for anxious children however, the day has passed smoothly. Understandably parents are worried about their child and we would like to thank you for resisting phoning in to school for updates. On the very rare occasions like these we really do need to keep phone lines open.

Our heart-felt sympathy and prayers go out to those wounded in the attack

HOUSE SPIRIT DAY

On **Friday 22nd September** we will be having a **House Spirit Day**. Children can wear clothes/accessories in their house colour to school on that day. This has become an annual event at St. John's with all children (and staff) participating and is a great way to start the year of house events.

MEET OUR NEW STAFF

I am very excited to have joined the team at St. Johns. I have really enjoyed my first two weeks working in Year 1 and I am looking forward to better getting to know the children in my class, and the other

children in the school. I am creative and active and I am excited about getting involved with clubs in the near future!

I am very pleased and excited to be starting my professional teaching career in Year 5 at St John's school. I am really looking forward to being part of the school's community and getting to know all of the staff and children! I am enthusiastic, creative and have a passion for sport. I hope to use these

skills at St John's throughout the year. I look forward to embracing what the following year will bring!

I am delighted to be joining St. John's as a Year 3 teacher and very much look forward to the excitement this academic year brings. It is a pleasure to be a part of such a welcoming school filled with polite and enthusiastic children with such great potential. My passions include music, art and travel; the latter of which

I am keen to instill in my pupils by starting each morning registration with a bitesize Spanish lesson! Please do come and say hola if you see me around school!

Hello, I'm Miss Cook, and I am teaching Reception this year. I come from Ireland, but have spent the last few years in London, studying. In my free time I love to swim, spend time with friends and shop! I have really enjoyed my first week at St John's and I am so looking forward to the rest of this academic

year and getting to know all of the children. If you see me around the school, do come and say hello!

GOOD AS NEW BOARD GAMES

Do you have any unwanted board games that are still in good condition and have all the pieces? If so, please can you bring them into school for the pupils

LUNCHES AT ST. JOHN'S

We would like to remind parents that you must keep to your choice of packed lunch or school meals for all of the half term. If you wish to change then you must wait for the next half term (after October half term) however, please notify Miss Smith in advance.
