

The Golden Eagle

It's been another great week with **no** bubble closures!. It is a little worrying that many pupils have said they're having sleepovers or meeting up with friends. Please help keep us all safe by keeping to the guidelines. Would parents also continue to wear a face mask on arrival and dismissal.

Staff members continue to carry out the lateral flow test twice each week which helps identify staff members who may be asymptomatic. This is for staff only and not pupils.

Punctuality

Unfortunately , punctuality is becoming an issue with a number of children. We understand that these are difficult times but not only is entering a class when the lesson has started embarrassing for the pupils but it is also incredibly disrupting to the class and the teacher. The pupils are missing out on crucial learning in the morning. Please do be punctual – it's an important life skill.

Parent Prayer Group

<https://www.biblegateway.com/passage/?search=Psalm+148&version=NIV>

The theme of Psalm 148 is praise! Everything is called to praise God; from the heavens, to the earth, then all the animals, and finally all people.

Why? Because God created everything and He's exalted above everything else.

Incredibly this Psalm ends on a wonderfully relational note: the same God who made everything in the universe is near to His people (v14).

In a time when we can question God's power or His care for us let's look to Psalm 148 which reminds us He is both powerful and near to us.

Things to be praying:

- That we would delight in praising God and because of that others would come to know Him.
- Praise God for St John's PTFA and their hard work in reflecting the schools motto of "love one another". Pray for wisdom as they do this with covid restrictions still in place.
- Pray for those who are still shielding and isolated, that God would sustain and protect them.
- Pray for France as it goes into another lockdown today amidst fears of a "third wave".
