Eaglet News

Happy New Year! We were delighted to welcome everyone back to school this week, rested, refreshed, and raring to go! It was lovely to see some very happy reunions between friends, and lots of us were very excited to share our Christmas news with each other.

As always on the return to school after a long break, we had 'Expectations Week' where we reminded ourselves of our school and classroom rules that are there to keep us safe and help us to learn. The children hit the ground running, jumping straight back in to their lessons, but it will be exciting to begin next week afresh when we will all be starting new *Power of Reading* texts in class to inspire some very creative learning!

Reminders

Spare Clothes

Please ensure your child's PE bag with spare clothing is returned to school. This bag should contain:

- Spare pants/knickers
- Spare socks
- Spare tracksuit bottoms/shorts
- Spare t-shirt
- Plastic bag

Stars of the week

Nursery – Emily

RM - Alfie

RP - Peggy

Reception

Our learning

This week in pictures

Reception love identifying nonsense words, or 'alien' words during our phonics lessons!

Next week

Personal, Social and Emotional Development

We will be developing our language to describe and label emotions.

Communication, Language and Literacy

We will be exploring a new, wintry book, which will be kept secret for now!

Mathematics

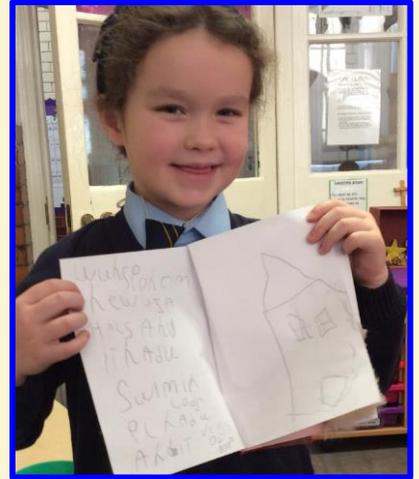

We will be finding one more and one less/fewer using different scaffolds, e.g. a bead string, a number track, and loose parts.

Expressive Art and Design

We will be exploring 'hot' and 'cold' colours to create a wintry scene.

Understanding of the World

We will be learning about arctic animals.

Nursery

Our learning

This week in pictures

Nursery love their new 'school' role play area and getting to be the teacher!

Next week

Personal, Social and Emotional Development

We will be discussing the importance of motivation when we find something challenging.

Communication, Language and Literacy

We will be exploring the theme of 'Superheroes'. We will be talking about characteristics of a superhero, practising our inference skills and create our own storylines. In Phonics we will continue to develop the skill of oral blending and segmenting.

Mathematics

We will be begin to explore numbers to ten.

Expressive Art and Design

We will be developing our scissor skills.
