## Upcoming Events

Monday 22<sup>nd</sup>-26<sup>th</sup> November - Book Fair before and after school in dining hall.

Lots of lovely learning happening in Early Years this week! In Reception we have been getting our teeth into some really tricky maths. We explored the part/whole model for understanding composition of number to support early understanding of addition and subtraction. We've been impressed with the children's understanding and quick learning of some complex new language.

As curriculum leaders, teachers have been popping in to different classrooms to observe their subjects being taught across the different year groups. Ms Peters really enjoyed watching Nursery learn all about alliteration this week. It was lots of fun to watch children play with language and practice listening to initial sounds in words to find ones that match!

## Stars of the week

Nursery – Nina

RM – Maggie

RP – Aleda

### Reminders

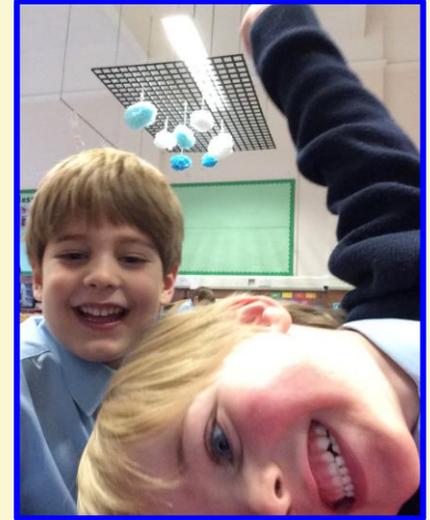

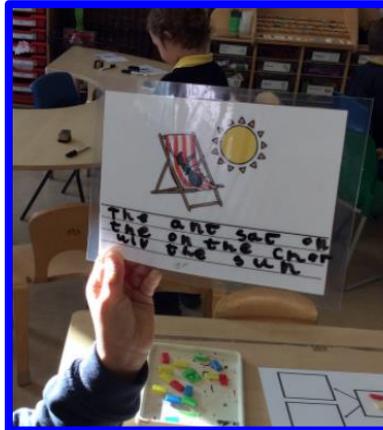

#### Reception Nativity

Please can Reception parents and carers look out for a note sent home in children's reading packs this week explaining more about this year's Nativity and how you can help at home to prepare your child for this special event.

# Reception

## Our learning

This week in pictures

*Reception have been applying their phonics in lots of different contexts this week.*

## Next week

### Personal, Social and Emotional Development

We will be developing our self-confidence for public speaking as we begin rehearsing our Christmas Nativity.

### Communication, Language and Literacy

We will explore the traditional Indian story of The Old Woman and the Pumpkin.

### Mathematics

We will be exploring measure, including size, weight, and capacity.

### Expressive Art and Design

We will be learning songs for our Christmas Nativity performance.

### Understanding of the World

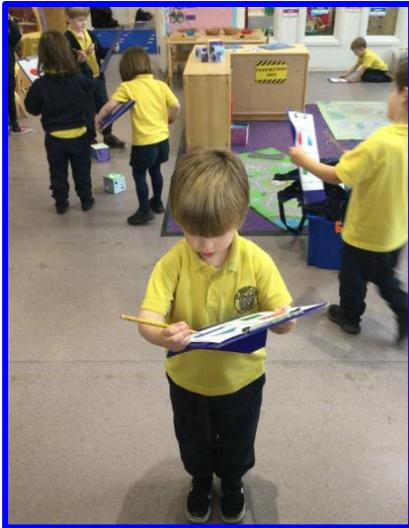

We will continue to explore the Nativity story as part of our RE lessons.

# Nursery

## Our learning

This week in pictures

*Nursery were very industrious with clipboards as they went on a 2D shape hunt around their classroom.*

### Next week

#### Personal, Social and Emotional Development

We will be discussing how to solve conflicts with our words, instead of our actions.

#### Communication, Language and Literacy

We will be looking at the traditional tale 'The Gingerbread Man'. In Phonics we will explore voice sounds, and begin to look at oral blending and segmenting.

#### Mathematics

We will learn to recognise and create ABAB patterns.

#### Expressive Art and Design

We will be practicing the Christmas songs for our Nativity.
