

# Eaglet News

A shorter week this week, but this didn't stop us from cramming in some great learning. In EYFS, we are beginning to learn about people within our community who help us. Nursery made a visit to the local fire station where they heard all about the role of a firefighter, and got to experience some of the things firefighters need to do as part of their job, including spraying a hose and sitting in a fire engine!

Reception were visited by the police on Friday afternoon, who told us all about the important work they do to keep us and our communities safe. We had the chance to try on some handcuffs and take a closer look at a police car! Polling Day also gave us a great opportunity to talk about citizenship and our democratic right to vote, and how our nation is run. We explored this concept further through our own 'polling station' where we got to vote for our home time story! We are excited to continue our learning next week as we explore some other jobs people do and think about some of the other features of our local environment.

## Reminders

### Class Showcases

Nursery and Reception will be presenting a showcase of learning to parents on the 19<sup>th</sup> (Nursery) and 20<sup>th</sup> (Reception) of May. These will start at 9:10am. Parents and carers are invited to attend.

### KidZania Trip

We are still in need of parent volunteers for our EYFS trip to KidZania. Please speak to your class teacher if you can help.

Can we also remind you that a packed lunch is required on this day. Please, no nuts, sweets, crisps, chocolate or fizzy drink.

### Reception Baby Photos

As part of our PSHE learning next week, we are asking that you upload a baby photo of your Reception child to Tapestry. Please show it to your child beforehand and tell them a little about them at that age, so they are ready to talk about the photo in class.

## Upcoming Events

Thursday 12<sup>th</sup> May – EYFS trip to Kidzania

Thursday 19<sup>th</sup> May – Nursery showcase

Friday 20<sup>th</sup> May – Reception showcase

## Stars of the week

Nursery – Rhia

RM – Joey

RP - Rafael

# Reception

## Our learning

This week in pictures

*The warmer weather means we're able to use our outdoor space in different ways.*

### Next week

#### Personal, Social and Emotional Development

As part of Mental Health Week we will be talking about worries, and what we can do to help worries go away.

#### Communication, Language and Literacy

We will be writing labels and descriptions for our junk modelling creations.

#### Mathematics

We will be learning about money and how we create values from different combinations of coins.

#### Understanding of the World

We will be learning about how our school has changed through time, helping to develop our sense of chronology, past, present and future.

#### Expressive Art and Design

We will continue to use junk modelling to create buildings that replicate our own homes.

#### Religious Education

We will be learning about the Christian account of creation and thinking about why our world is precious.

# Nursery

## Our learning

This week in pictures

*Nursery loved their visit to Fulham Fire Station.*

### Next week

#### Personal, Social and Emotional Development

Next week is Mental Health Awareness Week and so we will be looking at what makes us feel calm and how we can help ourselves to feel this way. We will complete a range of mindfulness activities.

#### Communication, Language and Literacy

We will be looking at the book, 'Katie in London' and exploring a range of activities in response to the story. In phonics, we will continue to look at our single letter sounds.

#### Mathematics

We will be building our knowledge of numbers to 10, completing simple word problems.

#### Understanding the World

We will be looking at the topic of 'Our Local Area'; finding out where we live, exploring maps and landmarks.
