

Eaglet News

This week Early Years really got their teeth into their learning, all about the local area and London. We have been busy building a junk modelling city, including some landmarks that you might recognise!

Linked to our learning about the local area, we have been thinking about people in our community and the important jobs they do. We were so excited to visit KidZania to learn more about these occupations through some real life, hands on role-play experiences! Our trip was an extremely busy and demanding day, however, we couldn't have been prouder of our Nursery and Reception classes, who stood out for their excellent behaviour and patience in some long queues!

An ENORMOUS thank you to our trip helpers; Jinou's mum, Azizah's mum, Samuel's mum, Aleda's mum, Julius' dad, Ayla's mum, Ezra's mum, Theodore's dad, Ella and Ava's mum, Noah's mum, Ewan's mum, Rhia's mum, Harlee's mum, Hunter's mum, Caspian's mum and Arlo S's mum. They really did do a full day's work and were amazing helpers...we couldn't have done it without you!

Reminders

Class Showcases

Nursery and Reception will be presenting a showcase of learning to parents on the 19th (Nursery) and 20th (Reception) of May. These will start at 9:10am. Parents and carers are invited to attend.

Suncream

We are beginning to have some warmer sunny spells. Please ensure you have applied a layer suncream to your child in the morning. If you feel they will need a top up in the middle of the day, please feel free to send in a named bottle of suncream that can be kept in their tray.

Upcoming Events

Thursday 19th May – Nursery showcase

Friday 20th May – Reception showcase

Friday 27th May – Jubilee Day, children can wear red, white, blue or platinum to school.

Stars of the week

Nursery – Oscar

RM – Iris

RP - Nael

Reception

Our learning

This week in pictures

Lots of future aspirations were cemented on our trip to KidZania!

Next week

Personal, Social and Emotional Development

We will be developing our confidence in public speaking and presenting as we perform our class Showcase.

Communication, Language and Literacy

We will be writing about what we want to be when we grow up.

Mathematics

We will be consolidating our knowledge of doubling and odds and evens.

Understanding of the World

We will continue to learn about our local area, with a focus on the language of 'local' and 'community' and looking at maps.

Religious Education

We will be learning about the Christian account of creation and thinking about what makes us unique.

Nursery

Our learning

This week in pictures

The bus ride was one of our favourite bits of the trip to KidZania!

Next week

Personal, Social and Emotional Development

We will be developing our confidence in public speaking and presenting as we perform our class Showcase.

Communication, Language and Literacy

We will continue to look at the book, *Katie in London* and exploring a range of activities in response to the story. In phonics, we will continue to look at our single letter sounds.

Mathematics

We will be exploring 3D shapes and their properties.

Understanding the World

We will be learning more about the city of London and how cities and towns lie within a country.
