

Eaglet News

Upcoming Events

Friday 27th May – Jubilee Day, children can wear red, white, blue or platinum to school.

This week EYFS have been extremely busy preparing to showcase their learning for parents and carers. This is a fantastic opportunity for you to get a sense of what learning looks like in the Early years, and exactly what the children have been getting up to! It's also a great way for children to really 'own' their learning, and see it as valuable and something to be proud of and celebrated.

Thank you to all those parents and carers who were able to attend the showcase. If you couldn't be there, don't worry – we will be posting a short video summarising our learning on Tapestry.

Reminders

Toothbrushing

Next week Nursery and Reception will be learning all about the importance of good oral hygiene and taking care of our teeth. We would welcome any photos, videos or stories via Tapestry about children toothbrushing at home or visiting the dentist.

Drop Offs

Please can parents note that both playgrounds are not to be played on in the mornings. Both Nursery and Reception have morning tasks that they should be working on as soon as they arrive at school. It is really important from a safety and educational viewpoint that children come in to school quickly and calmly so that they can settle and be prepared for the challenges of their day. Please support us in this message to your children.

Stars of the week

Nursery – Harlee

RM – Leo

RP - Jessica

Reception

Our learning

This week in pictures

Reception built an amazing city from junk modelling.

Next week

Personal, Social and Emotional Development

We will be learning how to take good care of teeth, including toothbrushing and the importance of a healthy diet.

Communication, Language and Literacy

We will be writing labels and instructions for how to take care of our teeth.

Mathematics

We will be consolidating our knowledge of sharing into equal groups.

Understanding of the World

We will be learning about the role of the queen and the significance of her Platinum Jubilee.

Expressive Art and Design

We will be created pop art inspired artwork, mixing technology and more traditional media.

Nursery

Our learning

This week in pictures

Nursery made their own bus and role played being a driver, conductor and passenger!

Next week

Personal, Social and Emotional Development

We will be focusing oral hygiene; the importance of self care, brushing our teeth and the role of a dentist.

Communication, Language and Literacy

We will be reading a range of stories and practicing to use learnt phrases within our role play. In phonics, we will review the sounds we have learnt so far.

Mathematics

We will begin to reliably count objects to twenty.

Physical Education

We explore hopping in a variety of ways; in different directions, at different speeds and different levels.
