w/c Monday 4th July - Art Week

Saturday 9th July – Summer Fair

Thursday 14th July – Nursery Sports Day

Friday 22nd July – Last Day of Term

Eaglet News

It was wonderful to welcome everyone back after what was hopefully a fun and relaxing half term. This time of year is always exciting for us as we really start to notice the children growing...taller, and in confidence too! We are beginning to have some informal discussions around transitions and introducing the idea that the children will be moving on to new classes soon. We plan these transitions really carefully – with both you and your child in mind - so please rest assured that you will be hearing more from us soon about the changes that are coming your way!

In Nursery, the children explored the text, *On Sudden Hill*. This is a wonderful story about the open-ended imaginative opportunities of a cardboard box! The children used their imaginations to use cardboard boxes in different ways, creating space rockets, robots, and more!

This week Reception have been getting to grips with money. This is a notoriously tricky concept for children as they get their heads around the idea of representational values. We were so pleased with everyone's engagement as we had a go at creating values using pennies, 2ps and 5ps. Next week we will be looking at creating values up to 10p using a combination of those coins, so do feel free to explore money over the weekend, perhaps with a pretend shop at home or a visit to the sweet shop!

Reminders

Warm Weather

Please ensure your child has a hat, suncream, and water bottle in school after half term.

Nursery Stay and Play

If you have signed up for a Stay and Play session, please check the sign up sheet at drop off or dismissal for your date to attend.

Stars of the week

Nursery – Arabella

RM- Arabella

RP- Ella

Reception

Our learning

This week in pictures

Reception have been role-playing shop keeper and customer to practice counting money.

Next week

Personal, Social and Emotional Development

We will continue to learn about our bodies and labelling body parts.

Communication, Language and Literacy

We will be working on writing our own stories.

Mathematics

We will continue to look at money and creating different values up to 10p.

Expressive Art and Design

We will be creating our own story characters and creating illustrations to develop our imaginative drawing skills.

Nursery

Our learning

This week in pictures

Nursery have loved performing on their indoor stage.

Next week

Personal, Social and Emotional Development

We will be continue focusing on the topic 'My Body'; exploring how to keep our body healthy.

Communication, Language and Literacy

We will be exploring the topic of 'holidays'; sharing and comparing our own experiences. In Phonics we will be learning to recognise the digraphs 'th' and 'ch'.

Mathematics

We will be practicing solving simple word problems with numbers to 10.

Physical Education

We will explore spatial awareness and practice having control over our body when moving around a space.

Understanding of the World

We will be learning to recognise similarities and differences between where we live and other countries around the world.
