

Eaglet News

We have had a fantastic week in Early Years! Not only have we been busy in our classrooms, but we have also been very busy enjoying our outdoor area. The children have enjoyed building dens, challenging themselves on the climbing frame, making and completing obstacle courses, creating rivers through sand, baking 'muddy' cakes and decorating our area with chalk and paint.

In addition to our usual activities, we also took part in a water play day. The children had the chance to change into their bathing suits and cool down in the warm weather. We enjoyed splashing in the paddling pools, running through the sprinkler, squirting each other (and our teachers) with water and finishing with an ice pop. It was lovely to see so many big smiles. Please enjoy the photographs from our fun-filled day.

We hope you have a lovely three-day weekend and stay safe in the sun!

Reminders

Sun Safety

As the weather gets warmer, please can we remind you of the importance of staying safe in the sun. Children must have sunscreen applied before arriving to school and, if they'd like, bring sunscreen in to reapply throughout the day. All children should have a St. John's sun hat with them that is clearly labelled with their name.

We are continually monitoring the safety of our setting, however, at certain points of the day shady areas for the children to play in are limited. If we feel a child does not have what they need to be safe in the sun, we will need to restrict their outdoor time.

Nursery Stay and Play

If you have signed up for a Stay and Play session, please check the sign up sheet at drop off or dismissal for your date to attend.

Upcoming Events

Friday 24th June – Reception Sports Day

w/c Monday 4th July - Art Week

Saturday 9th July – Summer Fair

Thursday 14th July – Nursery Sports Day

Friday 22nd July – Last Day of Term

Stars of the week

Stars of the Week will resume next week.

Reception

Our learning

This week in pictures

Reception spent time thinking about who the characters will be in their story they are writing next week.

Next week

Personal, Social and Emotional Development

We will be learning how to respect our bodies and make healthy choices.

Communication, Language and Literacy

We will be writing our own stories that we planned this week.

Mathematics

We will be looking at measurements, including capacity, weight and length.

Understanding the World

We will be exploring airports and what it is like to travel abroad.

Nursery

Our learning

This week in pictures

Nursery practised their drawing skills while drawing pictures of holidays or trips they have been on.

Next week

Personal, Social and Emotional Development

We will be continue focusing on the topic 'My Body'; talking about how our bodies grow and change.

Communication, Language and Literacy

We will looking at the story 'Bonting' by Shirley Hughes; responding to the story through drama and art. In Phonics we will be learning to recognise the the digraphs 'nk' and 'ng'.

Mathematics

We will be exploring capacity.

Physical Education

We will explore spatial awareness and become confident changing direction.

Understanding of the World

We will be looking at the features of the seaside.

Water Play Day
