

1 <sup>st</sup> May	Bank Holiday
3 <sup>rd</sup> May	Class Photographs
5 <sup>th</sup> May	Coronation Celebrations

# Eaglet News

This week, Early Years have been busy learning all about life cycles.

In Nursery, the children learnt to understand what a life cycle is, thinking and talking about the human life cycle first. They reflected on their own growth so far and thought about how they'll develop in years to come. They then explored the life cycle of a sunflower, looking at the different stages and ordering them.

In Reception, we explored how animals adapt throughout their life cycle; thinking about why they grow and develop. We learnt lots of interesting facts about their different stages of life, and applied our newly learnt vocabulary into our writing, crafts and play.

## Messages

### EYFS Team

We have had a few changes to our Early Years team, please take a look on the final page at our EYFS staffing structure.

### Class Photographs

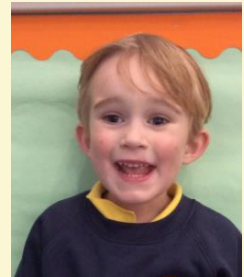

On Wednesday 3<sup>rd</sup> May we will be having our class photographs taken. Please ensure your child arrives promptly and on time on this day, otherwise they may miss out on being in their class photo.

### Coronation Celebrations

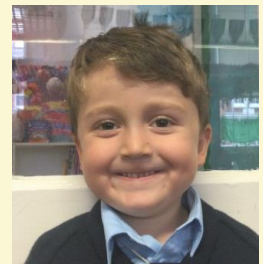

On Friday 5<sup>th</sup> May we will be engaging in our school Coronation celebrations. Your child is invited in to wear red/ white/ blue or dress as a King/ Queen.

## Congratulations to our Stars of the Week

### **Nursery – Theo**

### **RE – Levani**

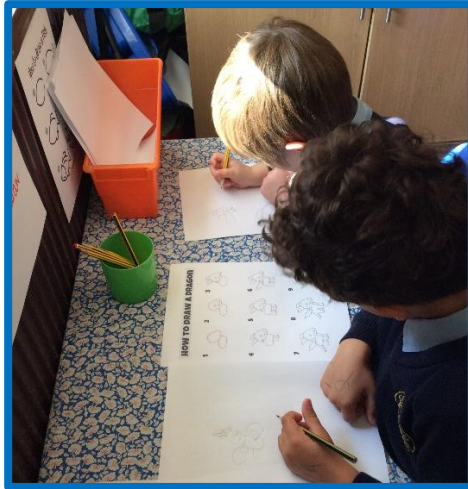

### **RM – Sihana**

# Reception

## This week

This week, Reception have enjoyed developing their drawing skills through step by step drawing prompts. We have seen dinosaurs, lions, crocodiles, dragons and fairies, all with lots of detail!

## Next Week

### Communication, Language and English

We will begin our topic of Dinosaurs; learning new vocabulary, recognising and discussing different opinions and writing our very own facts. In Phonics we will be learning the suffix 'ed' /d/ as in burned and joined.

### Understanding the World

We will be exploring the topic of dinosaurs; discovering what a dinosaur is, their time line, what happened to them and what the role of a Palaeontologist is.

We will also be taking part in our school Coronation Celebrations. We will be learning what a Coronation is, what this means for our country and getting creative!

### Mathematics

We will be exploring addition and subtraction facts using our knowledge of number bonds and double/ half facts.

### Expressive Art and Design

We will be learning to sing the National Anthem with confidence, whilst engaging in a range of art activities related to the Coronation. We will be creating our own crowns and flags for our celebrations on Friday.

# Nursery

## This Week

This week, Nursery enjoyed using a range of resources to get creative this week!

## Next Week

### Personal, Social and Emotional Development

We will try to solve friendship problems when they occur and learn how to make friends if we feel lonely.

### Communication, Language and English

This week we are reading about Dinosaurs and going along a journey with Harry and His Bucket Full of Dinosaurs. In phonics we will learn the sounds w.

### Physical Development

Children will be stomping around like dinosaurs and showing off other prehistoric attributes like stretching our neck up high.

### Mathematics

We will be looking at Math stories with number to 10.

### Understanding the World

Our focus will be looking at the features of a dinosaur and how they lived. We will also look at the importance of the Coronation and King Charles.

### Expressive Art and Design

We will be singing songs about dinosaurs. We will decorate crowns for our parade on Friday.
