Meet our new staff:

I'm Miss Mortimer and this year I am teaching RM. I have recently moved to London after completing my teacher training in Essex. Before embarking on my teacher training I studied history at the University of Winchester and have a passion for all things historical. I am so excited to be a part of the welcoming St John's community and love a chat so please come and introduce yourself!

Hi, my name is Miss Buckingham and I am extremely excited to be a part of the St John's family! During the summer I packed up my belongings in the North West of England and made the big move down to London...scary but definitely the right decision. This year, I am teaching in Year 2B and they certainly have made me feel very welcome! I'm super sporty, love children's films. I'm look forward to getting to know you all.

I'm Mr Wolstenholme. As a lifelong Fulham fan, I am very pleased to be at St John's where I'm teaching 1W. I studied Music at the University of Cambridge, where I once entertained the fantasy of becoming an opera singer. After giving up on that dream, I went to work at a church as a Ministry Trainee for two years, before eventually deciding to train as a teacher instead. I would love to meet you, so please say hello.

Meet our new music teacher, Mr Gioffre. He has performed as a soloist, accompanist, and conductor with choirs and orchestras across Europe and the UK. Having graduated in Classics in 2012, Mr Gioffre also enjoys teaching languages (Italian, Latin, and Ancient Greek), and has collaborated both as an author and translator with the Poetry Society of London since 2013. Mr Gioffre is also the Director of Music at St John's Church, Fulham.

Harvest Donations

Please start sending in your Harvest donations next week. We will ensure all gifts are taken to St. John’s Church. They will then be collected and taken to The Upper Room to support and improve the lives of the vulnerable people in our community.

GUIDANCE SUMMARY: Possible or Confirmed Covid-19 Cases

IF YOU HAVE SYMPTOMS

The most important symptoms of COVID-19 are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

If you have any of the symptoms above, even if your symptoms are mild, you must stay at home and arrange to have a **PCR TEST**. (Even if you have received one or more doses of COVID-19 vaccine.)

If you live in the same household as someone with COVID-19, you should stay at home and self-isolate if you are **NOT**:

- Fully vaccinated
- Aged under 18 years and 6 months

IF YOU DO NOT HAVE SYMPTOMS

If you have a positive test result but do not have symptoms, stay at home and self-isolate as soon as you receive the results.

Your household **DO NOT** have to self-isolate if they are:

- Fully vaccinated
- Aged under 18 years and 6 months

TESTING:

If you have **symptoms** of COVID-19, you should arrange to have a **PCR test**.

- People who live in the same household as someone with COVID-19 should also take a PCR test, as they are at higher risk of being infected even if they do not have symptoms.

LFD tests are mainly used in people who do not have symptoms of COVID-19, known as 'asymptomatic testing programmes' and can help reduce the spread of infection to others.
