# Eaglet News

Early Years have been very busy continuing to practise for their graduation and the creating of their graduation hats. We are all getting very excited now!

This week has been full of interest as we finally got to meet our new teachers and find out what classrooms we will be in next year. Everyone had a lovely time and we cannot wait to become the new Reception and Year 1 children.

Reception had a fantastic Thursday, at our sports day in Bishops Park. Although it was very hot, we all did really well with the activities and in the running race. We would like to say a big thank you to Mr Welsh for all his hard work.

### Teddy Bears' Picnic

The Teddy Bears' picnic will be held on Wednesday 18<sup>th</sup> July. Children are welcome to bring a small stuffed toy (no plastic, please) for the day – but please don't send anything too precious in case it should get lost or damaged! This is an all-day event so children will need a packed lunch. Please remember a hat, sun cream and a water bottle. As always, each class will need

2 or 3 volunteers to accompany the children on the walk to the park. Any other parents, carers, and siblings are welcome to meet us at the park and join us for all or some of the day.

Don't forget to bring along a blanket and a picnic lunch for yourself!

Adults are also invited to bring along an international dish in celebration of their heritage which can be shared amongst the adults and children. No nuts, please!

### Graduation

Rehearsals are well under way for what we hope will be a very special celebration of all the children's achievements this year. This is a fundraising event so tickets can be purchased at a cost of £2 from today through our online app.

### Art Week photos

A letter will be sent out with more information about how to receive your child's artwork.
