

## Upcoming Events

25<sup>th</sup> February – Forest School,  
Group A

5<sup>th</sup> March – World Book Day

# Eaglet News

It has been a cold, wet and blustery week, but this did not deter our intrepid Nursery children from embarking on another Forest School trip. Because of the tree damage caused by Storm Ciara's high winds, we only ventured as far as Fulham Palace Gardens this time. Despite our familiarity with this local gem, we found lots of new things to explore, including a "wish pond", "honey flowers", and some beehives! The children also managed to find a wonderful tree with low hanging branches, which they decided was a house complete with a kitchen and bathroom – no grown-ups allowed, of course!

In Reception this week we have been learning how to count on. We have been great at putting numbers in our heads and then counting on to find a total. Children have also been exploring learning online and using suitable websites independently.

## Reminders

### Eaglet Fund

Please do remember to pay your outstanding Eaglet Fund if you have not already done so. In order to provide a broad and rich curriculum, the

Eaglet fund is a vital resource for teachers to purchase the necessary items for your child's learning experiences. We are currently experiencing very low numbers of parents paying this fund, which, in some cases, results in teachers being out of pocket as they subsidise the fund themselves.

## Tapestry Corner

We love seeing your children's home learning via their Tapestry online journals.

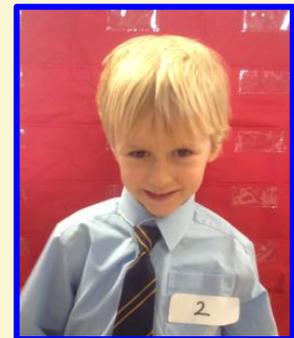

This week, please share with us photos, videos and comments about any cultural celebrations you and your family share. You can talk about family parties or routines.

## Stars of the week

Nursery – Oakley

RA – Alejandro

RC – Arabella

# Reception

## Our learning

This week in pictures

We have been lining up and taking turns at playing games on the interactive whiteboard.

### Next week

#### Physical development

We will be working really hard at forming our cursive letters. We are getting really good at it!

#### Communication, Language and Literacy

We will be reading the *Power of Reading* text: 'So Much' by Trish Cooke.

#### Mathematics

We will be adding and subtracting within 10.

#### Expressive Arts and Design

We will be combining different media and looking closely at the effects.

#### Understanding the World

We will be exploring the use of technology within our learning.

# Nursery

## Our learning

This week in pictures

The children loved exploring the environmental print on our journey to Forest School and were so excited to spot letters from their name. We couldn't believe our luck when we found a fire hydrant cover that had ALL our special letters on!

### Next week

Communication, Language and Literacy

We will be going on a sound walk and exploring a new *Power of Reading* text.

Mathematics

We will be exploring 'one more.'

Expressive Arts and Design

We will be exploring both print and texture.

Understanding the World

We will be thinking about the vehicles we see in our local area.
