

Eaglet News

What a fantastic week we have had in Early Years! All of the staff, both at school and at home, are extremely impressed with how quickly the children have adapted to the current circumstances. Whether children are at school or at home, everyone has been working really hard and it has been great to see all of the fantastic activities that have been completed! A huge thank you to families and parents/ carers who are continuing to support their child's education.

This week we were very fortunate to see our teachers and friends on our Celebration Assembly Zoom session. This was a fantastic opportunity to celebrate the week, continue to motivate each other and wave to our friends. We are very proud of the children for their confidence and mature attitude towards our adapted assembly. This will occur for Reception every Tuesday, so keep checking for the Zoom link to join this.

Reminders Keeping in contact

We will be making regular phone contact with you across the coming weeks to see how you are getting on with home learning and offering support where we can. If you see a call from a withheld number, it's probably us! If we miss you, we will leave a message. If, in the meantime, you need to get in touch for any reason, please make contact via Tapestry or the school office.

Asking questions on Tapestry

We are really pleased to see lots of you using Tapestry daily and we are always here to answer any questions. If you would like to ask a question, please can we ask that you post a new observation with this question, so we receive a notification and can respond in good time.

Nursery return

Nursery will be returning to the classroom from Monday 18th January and we are really looking forward to seeing many of you. The drop-off and dismissal times will be the same as normal (9:00am – 3:20pm). Please send your child in with their spare clothes/ underwear/ socks in their St. John's drawstring bag. This was sent home over Christmas to be replenished.

Stars of the week

Nursery – Arthur

RP – Kiki

RPY – Matilda

Reception

Our learning

This week in pictures

We have enjoyed watching our teachers on the Loom videos.

Next week

Daily Challenges

- Sing the 'days of the week' song in tune to the Adam's family song. <https://www.youtube.com/watch?v=oKqAblcwFOA>
- Count forwards and back to twenty.
- Read a book of your choice with or to someone at home.
- Practise your sound flashcards.
- Practise blending your green words and red words.
- Write your name. If you already know your name, move on to your surname, or a sibling or family member's name.

Communication, Language and Literacy

We will be beginning a new book, but the name's a secret for now!

Mathematics

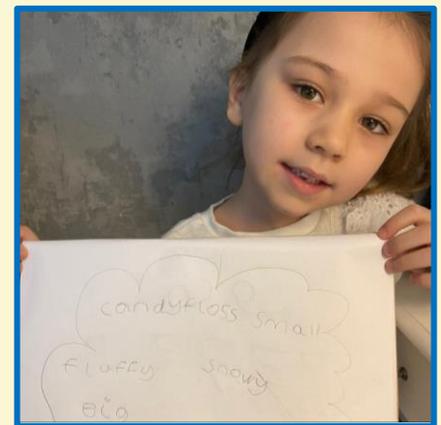

We will be exploring numbers to 15, ordering, comparing and finding one more and one less.

Foundation (Understanding the World)

We will be exploring the things that we see in wintertime.

Physical Education

Look out for more exciting activities from Mr Welch.

Nursery

Our learning

This week in pictures

We have loved exploring our senses around our home.

Next Week

Communication, Language and Literacy

We will be exploring our new book 'The Naughty Bus' and completing a range of activities. In Phonics we will continue our learning of rhythm and rhyme through Nursery Rhymes.

Mathematics

We will continue to explore numbers to ten and ordering numbers.

Foundation

We will be talking about people who help us and exploring different occupations.

Physical Education

We will be practising our ball skills through catching, throwing and bouncing balls.

Art and Design

We will begin to explore the skill of printing with a range of materials.
