

Eaglet News

Last Friday, we had a really exciting day. As a school, we recognise that children's screen time has increased, and therefore decided to allocate a day where we didn't turn our screens on once! The children learning from home had a variety of activities to choose from, which included baking, dancing, painting, reading, singing and creating. The children in school got creative through food technology, arts and crafts and drama!

In Nursery we created our own Rice Krispie cakes, we explored printing using our feet (we all needed a bath after) and moved our bodies to some of our favourite songs. In Reception we created puppets, made a musical instrument and designed our own fruity pancakes! It was very exciting and we look forward to our next 'no screen day' on Friday 12th February.

Reminders

How to Support Your Reception Child to Become an Independent Writer

Please find below a link to a presentation that offers tips and advice for how to support your Reception child at this crucial stage in their literacy development.

Stars of the week

Nursery – Grace

RP – Shane

RPY – Jack

Reception

Our learning

This week in pictures

We enjoyed retelling our story and using key phrases.

Next week

Daily Challenges

- Sing the 'days of the week' song in tune to the Addams Family song. <https://www.youtube.com/watch?v=oKqAblcwFOA>
- Count forwards and back to twenty.
- Read a book of your choice with or to someone at home.
- Practise your sound flashcards.
- Practise blending your green words and red words.
- Write your name. If you already know your name, move on to your surname, or a sibling or family member's name.

Communication, Language and Literacy

We will be learning to read and write simple sentences using our phonics skills.

Mathematics

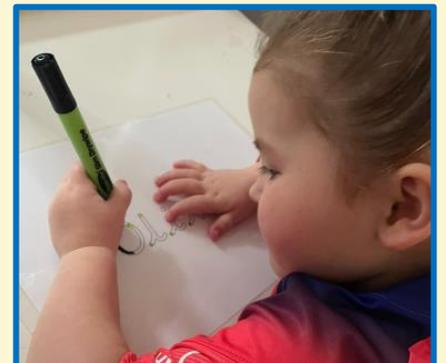

We will be exploring grouping and sharing.

Foundation (Understanding the World)

We will continue to learn about healthy foods.

Physical Education

Look out for more exciting activities from Mr Welch.

Nursery

Our learning

This week in pictures

We loved exploring repeating patterns!

Next Week

Communication, Language and Literacy

We will be exploring the theme of 'Superheroes'. We will be talking about characteristics of a superhero, practising our inference skills and will be creating our own storylines. In Phonics we will continue to look at a range of nursery rhymes, looking at rhyme and rhythm within.

Mathematics

We will be exploring numbers to ten, sharing and comparing quantities.

Physical Education

We will be practising our ball skills through catching, throwing and bouncing balls.

Art and Design

We will be developing our scissor skills.

PSED

We will continue to discuss the importance of sharing and taking turns.
