2nd, 3rd July – New Reception parent meetings

9th July – Nursery Sports Day, 9.10-10.25 in school playground.

18th July – Reception graduation

19th July – Picnic in the park

Eaglet News

Even though the weather was not as we had hoped it would be, we began our new topic of 'Summer' this week. To start the week, we read the book 'message in a bottle' which made us all think about what we would pack if we went to a desert island and who we would want to go with. We wrote our own messages in bottles as well as writing replies to the Lion from the story. Thank you to everyone who came along to our stay and play sessions, it's always very exciting for the children and hopefully you all enjoyed it too!

The Nursery children were excited to come into school on Monday to discover a beach has appeared in our classroom! We were very excited to get stuck right in and play, however, this became a learning moment as the children were asked to prove they were ready for their new role play area by remembering our rules across the rest of the classroom. It took two days but finally the children were able to show us that they could enjoy their new role play area sensibly! We have talked a lot about summer safety this week, considering how to stay safe in the sun, in the water, and near barbecues.

Dance-a-thon

Thank you for all your sponsorship contributions for our dance-a-thon last week. We raised over £1000 which was amazing! We have already ordered a new mud kitchen, writing cart and sand pit for our playground so thank you all so much.

Mural

As you may have seen the work has already begun on our new mural in the Eaglet playground. Four lovely parents were in on Monday morning to complete the first part of the artwork and not only were the children in awe as they watched them work but the staff were too! The rest of the paintings should be completed over the next few weeks and we are extremely grateful for the time these parents are volunteering for us.

Stars of the week

Nursery – Giulia

RO – Liam

RC – Henry

Reception

Our learning

Next week

Physical Development

We will be pretending we are surfers on our new balance boards

Communication, Language and Literacy

We will be reading and writing our own summer themed poems

Mathematics

We will be consolidating our knowledge of addition and subtraction

Expressive Arts and Design

We will be pretending to be owners of an ice cream shop

Understanding the World

We will be learning how to stay safe in the sun

Nursery

Our learning

This week in pictures

Exploring media and materials to decide the best materials to mend the sunglasses.

Physical Development

We will be learning some basic sewing skills.

Communication, Language and Literacy

We will be exploring the story *Bonting* by Shirley Hughes, about a boy and his beloved pet rock.

Mathematics

We will be looking at simple addition of single digit numbers.

Expressive Arts and Design

We will be making our own pet rocks.

Understanding the World

We will be talking about where rocks and shells come from.
