

# Eaglet News

It's been another busy and fun-filled week in Early Years. Our caterpillars continue to fascinate us and fill us with wonder. It was a surprise to learn that caterpillars produce their own silk and make a lot of poo! We have really enjoyed thinking of names for our class caterpillars. Nursery explored alliteration to give all their caterpillars names that began with 'c'.

Reception have now completed our baseline assessments following lockdown. It's been great to see the progress that has been made over this unusual and unpredictable time. We will be busy planning just the right curriculum to launch us into the Summer term.

## Reminders

### Reading Books

Just a reminder there will be no reading books sent home over the Easter holidays. We will send out some suggestions for online materials instead.

## Stars of the week

Nursery – Jon

RP – Wizzie

RPy - Wren

# Reception

## Our learning

Reception has been enjoying using puppets to grow their storytelling skills.

## Next week

### Communication, Language and Literacy

We will be following instructions to make an Easter treat.

### Mathematics

We will be using positional language to solve an Easter Hunt.

### Physical Development

We will continue to on our throwing and aiming skills.

### Understanding of the World

We will be learning about the Easter story.

# Nursery

## Our learning

This week in pictures

*Nursery have been becoming familiar with graphemes and their corresponding phonemes.*

### Next Week

#### Communication, Language and Literacy

We will be exploring the special event, Easter. We will be discussing the importance of and sharing our experiences of Easter. In Phonics we will be continuing our Phonics scheme, Read Write Inc, and looking at different sounds.

#### Mathematics

We will be matching numerals and quantities within ten.

#### Physical Education

We will continue to look at Gymnastics.

#### Understanding of the World

We will be creating a range of Easter crafts.
