

## Upcoming Events

Thursday 17<sup>th</sup> October – Phonics workshop

# Eaglet News

It's hard to believe that half-term is almost upon us already! Time is flying, and it has been wonderful to see the children becoming comfortable and settled. Their personalities are beginning to really shine and we are loving getting to know them all.

This week we explored our theme, *All About Me*. In Nursery, the children explored colour matching to create self portraits, while in Reception there was some wonderful writing taking place as the children had a go at writing about their likes and dislikes.

### Cold Weather

Please ensure your child has a coat in school every day, and that it is clearly labelled with their name in a location where your child will be able to identify their own coat for themselves.

### Labelled uniform – A plea!

Please be reminded to label all of your child's uniform to ensure that clothing does not get mixed up or go missing. These mix ups cost the teachers lots of wasted time as we try to reunite unnamed uniform with its owners. Any unnamed clothing will be sent to the lost property box at the front office.

### Eaglet fund

Please don't forget to pay your Eaglet Fund for this first half term if you have not already done so. This can be passed along to your class teacher. Thank you.

### Maths with Parents

Reception parents, please be reminded to log in to the *Maths With Parents* website in order to access the children's learning.

## Stars of the week

Nursery - Ruby

RA – Ayla

RC – Sebbie

# Reception

## Our learning

This week in pictures

## Next week

### Physical development

We will be developing our gross motor skills.

### Communication, Language and Literacy

We will be continuing to think about ourselves and what makes us special.

### Mathematics

We will be focusing on numbers up to 6.

### Expressive Arts and Design

We will be creating portraits of our friends.

### Understanding the World

We will be looking at similarities and differences between ourselves and others.

# Nursery

## Our learning

This week in pictures

*The children were fascinated by our class pets, Spotty Dot and Lizzie.*

### Next week

#### Physical development

We will be practicing holding a pencil with the correct grip.

#### Communication, Language and Literacy

We will be talking about special items that we bring in to school. Please look out for a letter with more details.

#### Mathematics

We will be working on recognizing numerals 1-5 and beyond.

#### Expressive Arts and Design

We will be exploring how different lines can be used to represent emotions.

#### Understanding the World

We will be sharing information about our families.
