

## Upcoming Events

# Eaglet News

It's hard to believe that half-term is almost upon us already! Time is flying, and it has been wonderful to see the children becoming comfortable and settled. Their personalities are beginning to really shine and we are loving getting to know them all. This week in Reception we did some shared writing of an advice letter to Ruby, the main character from our *Power of Reading* text. We were really impressed with the children's sense of empathy as they were able to understand Ruby's plight and offer some very helpful and insightful advice! In Nursery the children did some dramatic retelling of Goldilocks and the Three Bears, and many bowls of delicious porridge were made in at our water table!

### Reminders

#### Reception Reading Packs

Please ensure you send in your child's reading pack every day.

#### Tissue and Wipes

Runny nose season is upon us! We always appreciate donations of tissues and wipes as we get through a considerable amount in class. If you would like to, please had donations in to your class teacher.

#### Reading and Phonics Virtual Workshops for Reception

Please ensure you have watched the Reading and Phonics videos. These can be viewed by clicking on the links below:

#### Makaton – Word a Week

We will be teaching the children a Makaton 'Word a Week', to support our communication and language development. This week is *thank you*. Please feel free to practice our word a week at home!

thank you

### Stars of the week

Nursery – Peggy

RP – Ronnie

RPy – Hugo

# Reception

## Our learning

This week in pictures

*We looked at the shapes our features make when we feel different emotions and recreated them with playdough and pen.*

### Next week

#### Physical development

We will be working on scissor skills.

#### Communication, Language and Literacy

We will be working on our inference skills with a Biff, Chip and Kipper book study.

#### Mathematics

We will be exploring numbers to 6 with a particular focus on cardinality of number.

#### Expressive Arts and Design

We will be exploring colour.

# Nursery

## Our learning

This week in pictures

*Nursery have been retelling well-known stories through drama.*

### Next week

#### Physical development

We will be learning to move in different ways; shuffling, skipping, hopping, jumping, sliding, and crawling.

#### Communication, Language and Literacy

We will begin to look at our names and our friends' names.

#### Mathematics

We will be focusing on 2D shapes, naming and recognising them.

#### Understanding the World

We will be looking at the season of autumn and understanding the features of autumn (celebrations, weather, animals and trees).
