Eaglet News

This week Reception have begun with the Christmas celebrations. We have decorated our class Christmas trees and have made presents from junk modeling which were displayed underneath. We have also thought about how we celebrate Christmas with our families. We have continued to develop our writing by beginning to write words independently.

Nursery focused on the world this week and we talked about the different countries as Miss Teakel is moving back to Australia over the Christmas break. We discussed where our families were from and looked at a map of the world. We worked on our number recognition and our ability to count out objects reliably.
