

## Upcoming Events

5<sup>th</sup> March – World Book Day  
Children can come to school dressed as a book character

# Eaglet News

This week in Nursery we began looking at a new *Power of Reading* text, *Naughty Bus*. This lovely book begins with a little boy opening a present, so we were very happy to receive our own present, which we then used our inference to guess what was inside. We were delighted to unwrap our own class 'Naughty Bus', which has been getting up to all sorts of mischief in the classroom this week!

This week in Reception we have been enjoying reading our new *Power of Reading* book *So Much* by Trish Cook. The book is about a family who have a surprise birthday party for their Daddy. We had so much fun acting out our own birthday parties! Our teachers have been super impressed with our adding and subtracting this week as we have been using key words such as first, then and now to help us work out addition and subtraction sums.

### Reminders

#### Teddy Bears (Reception)

A letter went out to Reception parents today about Reception children bringing in a teddy bear next week to have with during snack time.  
Please see letter for more information.

#### Stanley's stick (Reception)

Please can all children in Reception bring in a stick for next week's literacy.

#### Tapestry Corner

We love seeing your children's home learning via their Tapestry online journals.

This week, please share with us photos, videos and comments about any cultural celebrations you and your family share. You can talk about family parties or routines.

### Stars of the week

Nursery – Ivana

RA – Niamh

RC – Helena

# Reception

## Our learning

We have been busy shopping for items for a birthday party. Children have loved talking about their birthdays and role playing parties.

### Next week

#### Physical development

We will be considering how to keep safe when playing with different equipment.

#### Communication, Language and Literacy

We will be reading the Power of Reading text: 'Stanley's Stick' by John Hedgley.

#### Mathematics

We will be looking at numbers within 15.

#### Expressive Arts and Design

We will be using different material to make toys out of junk modelling.

#### Understanding the World

We will thinking about our school values in circle time.

# Nursery

## Our learning

This week in pictures

*We're beginning to learn how to use tools at Forest School – this week, a vegetable peeler!*

### Next week

#### Communication, Language and Literacy

We will be exploring road signs and maps as we continue to learn through our text, *Naughty Bus*.

#### Mathematics

We will be exploring ordinal numbers.

#### Expressive Arts and Design

We will be painting buses.

#### Understanding the World

We will have a visit from a taxi driver and her taxi.
