

Upcoming Events

16-20th March – Book Fair

24 March – Final Forest School for Group A

Eaglet News

This week in Nursery we have been doing lots of magic! The children were amazed by our 'magic' experiment where we moved colours around milk with the smallest brandish of a magic wand! We have been 'abracadabraing' each other into all sorts creatures and critters!

This week in Reception we have been continuing to work really hard at one more and one less of numbers to 15. We have learnt new words such as greater and fewer and our teachers have been super impressed at how well we have been using this mathematical vocabulary. We have continued with our Power of Reading text 'Stanley's Stick' and we have worked in groups to use our imagination, in order to think of things our sticks could be.

Daisy's Bag

Please keep an eye out for the sales of Daisy's Bags. All donations go towards helping those in Australia who were affected by the bush fires.

Forest School

A reminder that our Forest School session on 24th March is the final session for Group A. This is a 'Family Day', so family members and siblings from the group are welcome to join us on this day. Please speak to Ms Peters for more information.

Book Fair

Don't forget to visit our Book Fair which will run before and after school each day next week! This is a great way for you to support the school in raising crucial funds for our little readers. Children will be able to redeem their £1 World Book Day vouchers here.

Water Bottles

Please could all Reception children bring in an empty disposable plastic bottle next week for a science experiment.

Tapestry Corner

We love seeing your children's home learning via their Tapestry online journals.

This week, please share with us photos, videos and comments about any cultural celebrations you and your family share. You can talk about family parties or routines.

Stars of the week

Nursery – Camilla

RA – Azariah

RC – Ayesha

Reception

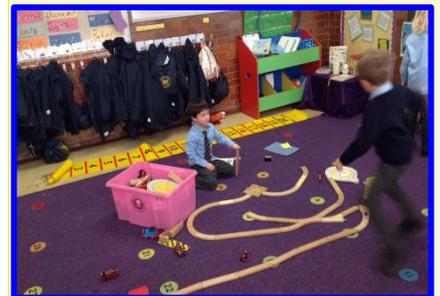

Our learning

Reception children enjoyed drawing and creating from the boxes we received from a very big delivery of new resources!

Next week

At St. John's it is science week! We will be participating in a lot of awe and wonder experiments and we will be learning about the 5 different kingdoms of living organisms. We will be visiting different classrooms throughout the school to learn about these. We will be learning a lot of new knowledge and we will be able to show this off at the end of the week at our quiz!

Nursery

Our learning

This week in pictures

We loved building our confidence in climbing on these lovely spiky trees at Forest School!

HOW TO BOOK YOUR TICKETS

- Log on to School Gateway
- Click on 'Clubs'
- Select 'Race Night 2020'
- Select the number of tickets you want
- Make payment

You must **BOOK** before you pay.

(Payments without booking will be refunded and you may lose your opportunity to attend if we are at full capacity.)

Tickets are limited and allocated on a first come, first served basis.

The booking facility will be closed when we have reached full capacity.

Our target for this event is to raise £7k for the second phase of replenishing our pupil reading books.

If you are unable to attend, but would still like to make a donation, please do so via the PTFA FUNDRAISING DONATION on School Gateway.

Thank you for your support.
