

Upcoming Events

June 29

Mufti Day – children may wear own clothes to school. Please, appropriate footwear and no football kits. Children should bring in a clean jam jar filled with small toys, treats, or sweets.

July 7

Transition meeting for Reception parents, 9am, middle hall. Please enter via office.

Eaglet News

Nursery have enjoyed a week full of monster madness! Monster slime was in the classroom and lots of moshi monsters were around so the children could practise their counting. They started creating their own big monsters using paint, and they are looking forward to exploring different materials next week as they create their monsters' faces. A small group of children helped Miss Canadas make a scary green monster from junk modelling, and they have been reading and hearing monster stories all week long. More monster madness to come next week!

Reception were very excited to take their first steps into the big playground at lunchtime. All the lunchtime staff were impressed by their sensible and mature behaviour, taking the change of routine in their stride. Mrs Buckley was thrilled to tell us about a wonderful game of 'Duck, Duck, Goose' that our Eaglets initiated and organised all by themselves. She was so impressed, she just had to run and grab a camera! She said it was a delight to see them taking turns, sharing ideas, and welcoming new friends into the game. Well done, Reception!

All the Eaglets should be very proud of themselves for the respect, self-control and maturity they exhibited during our sponsored silence to raise money for the Grenfell Tower fire. Each class managed a full ten minutes, without a single peep. If you would like to sponsor your child, please send in the money next week. Thank you to all who have donated already.

Library Books

Next Thursday will be Reception's **final** visit to the library for this year. Please ensure that your child's library book is returned by this date, as unfortunately we will have to charge for unreturned items.

Shoe Boxes

Reception parents – Please don't forget that your child will need to bring in an empty shoe box for Monday 26th June.

Sun Cream and School Caps

Now that the weather is hotter, please ensure you put sun cream on your child every morning, and send them in with their school cap. **Children's play will be restricted to shaded areas unless they have a cap on.** If you'd like your child to have another application of sun cream, please supply a bottle of sun cream with a NAMED STICKER on.

Stars of the week

Nursery - Lily

R1 - Finley

R2 - Basile

Nursery

Our learning

This week in pictures

The children worked sensibly and quietly during our sponsored silence.

Next week

Personal, Social, and Emotional Development

We will be developing our understanding of our own feelings, knowing that some actions or words can hurt others' feelings.

Physical Development

We will be handling tools, objects, construction and malleable materials safely and with increasing control.

Phonics

We will learning the sounds *r* and *j*.

Communication, Language and Literacy

We'll be beginning to understand prepositions.

Mathematics

We will be selecting the correct numeral to represent 1 to 5, then 1 to 10 objects.

Understanding the World

We will be using an iPad to complete a simple, age-appropriate game.

Expressive Arts and Design

We will be making up rhythms and creating movement in response to music.

Reception

Our learning

Plum and Arex looked for seeds.

Next week

Personal, Social and Emotional Development

We will be practising our debating skills as we discuss the events in our story, Bog Baby, and sharing our opinions about the characters actions.

Physical Development

We will be continuing with our weekly PE lessons, concentrating on throwing and catching.

Communication, Language and Literacy

We will be writing instructions for how to care for a Bog Baby.

Mathematics

We will be revisiting subtraction and consolidating these skills.

Understanding the World

We will continue to make observations of our caterpillars and learn about habitats.

Expressive Arts and Design

We will be creating a habitat for a Bog Baby. Don't forget those cardboard boxes!
