4th April – **Nursery last day of term**
3.20pm finish

5th April – Reception last day of term
1.30pm finish

Eaglet News

We may only be four or five years old but this week in Reception we have been talking about what jobs we would like when we grow up. Our new topic, 'People who help us', made everyone appreciate all the people who help us both in our community and in the wider world. We had lots of fun acting out different job roles especially being teachers (who apparently just tell children off all day!) Thank you to Anton's mum for coming in to talk about her job and we look forward to seeing some more parents next week when they talk about their jobs.

Nursery have also been learning all about People Who Help Us. We've had great fun playing in role as vets, using some of our newly acquired vocabulary in a meaningful context. We have been learning to look at objects in our environment and think about what shapes they remind us of, so that we can recreate pictures of them using appropriate shapes. This has resulted in some amazingly-shaped fire engines! Our week culminated in a very exciting visit from some Fulham police who came to speak to us about the job they do. The children loved getting to experience a real safety vest, handcuffs, walkie talkie and police car!

Labelled coats

Please can you check your child's school coat and make sure they are wearing their own coat. We are having issues with **labelled** coats being picked up and not returned to the child. Thank you.

Update on our playground

Thank you for all your patience with some changes to arrival and dismissal from the Early Years playground. As I write this we are hopeful the work will be finished today; however, if it does run over to Monday, please look out for staff on the gate to inform you of where to drop off children.

Nursery Trip

Nursery will be taking a trip to Fulham Library on Wednesday 3rd April. We will leave school at 10.10am and arrive back around 11.30. This trip will only be possible with parent helpers, so please speak to Ms Peters if you are able to join us. We still need one more volunteer!

Stars of the week

Nursery - Maci

RO – Tiana-Mai

RC – Grant

Reception

Our learning

This week in pictures

Next week

Physical Development

We will be kicking and learning how to control a football

Communication, Language and Literacy

We will giving advice on how to stay safe at school

Mathematics

We will be practising our number bonds to 5

Expressive Arts and Design

We will be creating tools for a doctor's kit
