

Eaglet News

This week, Reception have been considering different aspects of personal safety, including road and fire safety.

A highlight of our week was a visit from PC Nayna, PC Laura and PCSO Adrian, who came to speak to the children about their job, and also to give a very important message about 'stranger danger'.

Some children enjoyed trying on real police uniform, and a few even volunteered to be handcuffed! Finally, all EYFS children were treated to a go in a real police car. The children were delighted to hear the siren sound!

This week, Nursery have been learning how to describe different sizes using props from Goldilocks and Three Bears story. We have been practising letter and number formation using different techniques. Some children enjoyed exploring different ICT equipment to access writing and jigsaw programs.

We have been using different media and materials to create fairytale art.

Reminders

This half-term's Eaglet fund of £3 is now due. If you have not already done so, please send this in to your class teacher.

Reception homework: Following our learning about safety and how to make a 999 call, we would like to set the children a challenge. Please help your child to learn their address by heart, and speak to your child about where they would find the phone in your home. We will be asking the children about it next week.

Reception parents/carers: Please do not forget that your children will need a packed lunch, water bottle, school cap and coat for Monday's trip to the Postal Museum.
