Eaglet News

Stars of the week

This week, Reception have been busy as 'Deputy JPs' following our trip to the Postal Museum on Monday. We have written, sorted and delivered letters to different fairytale characters. We are extremely proud of our Reception children and how well they coped with our trip. It was a long walk for little legs, never mind the escalators, lifts and rain! The children's behavior was exemplary and they really were excellent ambassadors for St John's school. Well done, Reception! Special thanks to all our parent volunteer helpers on the day – we couldn't have done it without you!

This week, Nursery have been exploring the outdoor area and looking for snails and slugs. We have been reading The Gingerbread Man, acting and retelling the story.

We also made gingerbread playdough and counted buttons on Gingerbread Men.

Nursery – Kylah

RP – Rachel

RC - Axel

Reminders

This half-term's Eaglet fund of £3 is now due. If you have not already done so, please send this in to your class teacher.

Hot weather

The forecast looks pretty good for next week – please remember to send your child in with school caps, sun cream and water bottles.

Reception's Postal Museum Trip

Please remember to make a payment for the trip through the schools online system, if you haven't already done so. Apologies to those who had problems putting their payment through. This has now been rectified.

The Postal Museum

Nursery

Our learning

Next week

Personal, Social and Emotional Development

We will be developing an understanding of "turtle technique" to help us with self-control.

Physical Development

We will be developing letter formation in our names.

Phonics

We will be listening to words and looking at objects beginning with sounds t, p and n.

Communication, Language and Literacy

We will be using full sentences to answer why and how questions about traditional tales.

Reception

Our learning

This week

Next week

Personal, Social and Emotional Development

We will be revisiting RULER, our whole-school approach to emotional learning.

Physical Development

We will be learning some African Dance and practising timing our movements to music.

Communication, Language and Literacy

We will be writing instructions for how to make pounded yam.

Mathematics

We will be exploring the concepts of doubling and halving.

Understanding the World

We will be learning about foods that grow and are eaten in Africa, and considering similarities and differences between Africa and the UK.

Expressive Arts and Design

We will be learning some printing techniques to create our own African-inspired mudcloths.
