7th June – Nursery trip to Science Museum

This week in Reception we have been learning about all the different ways to keep healthy. We made our own fruit kebabs, which were delicious! In maths we have been focusing on solving problems related to halving, doubling and sharing. Our school value for this term has been Trust, so we have considered what this means and thought about the people in our lives that we trust.

This week was very exciting for the Nursery children. We had parents visiting us every morning and telling us about different jobs they do and how they help people.

We have been exploring and playing pretend in our new role-play area, "Emergency Department".

We have been learning about people who can help us and how. Children were sharing their thoughts about who they want to be when they grow up... I'm pleased to say we will have lots of teachers, firefighters, vets and farmers one day!

We have been sharing a "Naughty Bus" story throughout the week. Children enjoyed listening about the bus's adventures.

Stars of the week

Nursery – Rittal

RP - Lacey

RC – Gracie-Rae

Reminders

Reception and Nursery will be holding stay and play sessions after half term. Reception will invite parents every Friday morning (look out for timesheets to sign in).

Nursery dates TBC.

Eaglets' Fund contributions urgently needed

We would like to buy new resources to support children's learning this term and make more interesting for them. Could you please send the £3 fund contribution to your class teacher if you haven't yet done so.

Nursery

Our learning

This week

Next week

Personal, Social and Emotional Development

We will be playing turn-taking games and sharing equipment.

Physical Development

We will be learning how to keep our teeth healthy.

Phonics

We will be listening to words and looking at objects beginning with sounds i, o and n.

Communication, Language and Literacy

We will be learning a poem.

Nursery Challenge: After having learnt about people who help us, we would like to set the children a challenge. Please help your child to learn their address by heart, and speak to your child about how they can ask for help if they get lost. We will be asking the children about it after half term.

Reception

Our learning

This week

Next week
