

# Eaglet News

Our new planters are now full of green foliage! The beans and flowers, all of which were planted in April, are growing well. They include: broad beans, French beans, sunflowers and runner beans.

All classes have visited the new science garden, we

have planted radish seeds and are going to see who can grow the largest radish.

Reception enjoyed an exciting trip to Wimbledon Common. They went pond dipping and explored the woods. Nursery enjoyed their trip to the science museum, pictures next week.

## Reminders

- Nursery children do not need to bring water bottles into school
- Please ensure all school caps are named.
- Nursery- Please do not enter the playground until 8.45am.
- Reception 'Stay and play' – Every Friday ending on Friday 13<sup>th</sup> July.

## Stars of the week

N - Christian for having kind hands and an enquiring mind whilst at the science museum.

RP – Zedi for challenging himself with his writing and remembering to use full stops.

RC - Stanley for recognising 3D shapes.

# Nursery

## Our learning

### Visiting the science garden.

Victor and Liam enjoy laughing together.

Huxley, Charles and Teddy match quantity to numerals.

Kylah builds a **tall** tower.

Planting tiny radish seeds.

Home learning: we have been reading the book 'Whatever Next' this week, can the children draw a picture to show what they will think will happen next in the book?
