

# Eaglet News

This week our theme has been 'growing' and we have been discussing both the growth of plants and also the growth we go through in school. We started our week in the science garden looking at all the lovely plants that are now in bloom and there was much excitement about the tadpoles we spotted in the pond! We ended our week with a visit to Year One where the children got to meet their new teacher and be with their new class. Both Miss England and Miss Robinson have been excited to find out more about each child within their class and although it is always emotional letting your class go both myself and Miss Cook know we are sending them up to great teachers.

It has been such an exciting week in Nursery! We were VERY excited to find out who our new teachers will be, and to meet them and some of our new friends too. We were delighted to have Mrs Annear, (Ms Sherin) our new Reception teacher, visit us for two days, giving the children lots of time to get to know her. She fitted straight in and has already been making notes of the children's favourite songs, stories and games! Please do chat to your child about their new teacher, making sure they remember the name of their teacher and class. Mrs Annear's class are RA and will be in the Ladybirds classroom. Miss Cook, RC, will remain in the Butterflies classroom.

### Picnic in the park

Just a reminder that if anyone is able to help us walk the children to and from Bishop's park on Friday 19<sup>th</sup> July please let your class teacher know.

### Nursery Workshop Drop-in

Next Friday 12<sup>th</sup> July, we will be running our usual stay-and-play session a bit differently. Your child is going to receive a resource pack to help them maintain and consolidate their learning over the summer. This session will therefore be a chance for you to find out more about the pack and its use, and how reading, writing and maths has been taught in Nursery. All welcome.

### Nursery Sports Day

We are excited for Nursery's Sports Day which will take place next Tuesday 9<sup>th</sup> July. It commence at 9.10 in the playground. Please feel free to wait in the large playground after drop off. We will be preparing the children to watched by their parents, and we ask that you support us by remaining behind the barriers and not encouraging your children to come into the crowd. Can we remind you that the school premises are a mobile-phone free zone.

### Reception graduation

Due to the number of seats in the hall, we can only allow for 2 family members per child to attend our graduation on the 18<sup>th</sup> July. The "ceremony" will begin at 9.15 and should last around half an hour.

## Upcoming Events

9<sup>th</sup> July – Nursery Sports Day, 9.10-10.25 in school playground.

18<sup>th</sup> July – Reception graduation

19<sup>th</sup> July – Picnic in the park

## Stars of the week

Nursery – Aaron

RO – Alexa

RC – Oscar

# Reception

## Our learning

## Next week

### Physical Development

We will be threading and weaving materials to make prayer catchers

### Communication, Language and Literacy

We will be writing our own prayers

### Mathematics

We will be looking at numbers beyond 20

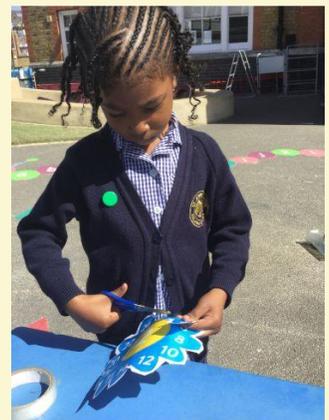

### Expressive Arts and Design

We will be working on a few different projects related to our Art Week theme,

Prayer, ready to display in our gallery next Friday.

### Understanding the World

We will be talking about prayer and what that means to us as a school and individually.

# Nursery

## Our learning

This week in pictures

*Recycling dried-out pens by dipping them in water. Perfect for drawing, writing and mark making!*

### Physical Development

We will be using a range of fine detail tools as part of our Art Week project.

### Communication, Language and Literacy

We will be talking about prayer and having a go at writing our own class prayer.

### Mathematics

We will be looking at colour patterns.

### Expressive Arts and Design

We will be working on a few different projects related to our Art Week theme, Prayer, ready to display in our gallery next Friday.

### Understanding the World

We will be talking about prayer and what that means to us as a school and individually.
