After-school clubs begin

Eaglet News

We have had a wonderful and busy week in Early Years. Nursery have been enjoying learning about farm life as part of their literacy work around the book, *What the Ladybird Heard*. They used their fine motor skills and imaginations to create some gorgeous, fluffy sheep!

Reception have also kicked off with a new 'Power of Reading' text, *On Sudden Hill*. The children loved hearing about the different adventures that Birt and Etho got up to in their cardboard boxes. It has also been exciting to get to know our new Reception teacher, Mrs Popova. She has been very impressed with the children's hard work and enthusiasm!

This is also our reception children's first week in their new phonics groups. Please remember to support you child in practising their sound books at home, as well as their word boxes to help develop their blending skills. Please speak to your class teacher if you need any further guidance.

Reminders

Please be reminded that our school uniform extends to hair accessories, which must be navy blue or gold. Our school hat is now back in stock, so please ensure that the correct hat is being worn.

This half-term's Eaglet fund of £3 is now due. If you have not already done so, please send this in to your class teacher.

We kindly ask for your patience at dismissal time. Children's safety is paramount, so there are occasions where you may see your child but they cannot be dismissed immediately. Please do not encourage them to leave without their teacher's permission. Your support is appreciated.

Stars of the week

Nursery – Verity

Reception 1 – Edith

Reception 2 - Adem

Nursery

Our learning

This week in pictures

Next week

Personal, Social and Emotional Development

We will be thinking about the story of 'The Bad-Tempered Ladybird'.

Physical Development

In PE we will continue to explore different ways of moving, such as jumping, skipping, slithering and rolling.

Phonics

We will be playing games to help develop our awareness of environmental sounds.

Communication, Language and Literacy

We will be listening to stories and recalling parts of the story.

Mathematics

We will be using positional language.

Understanding the World

We will be accessing different types of ICT around the classroom.

Expressive Arts and Design

We will be exploring what happens when we mix colours.

Reception

Our learning

This week in pictures

The children were fascinated by Plum's lost tooth!

Next week

Personal, Social and Emotional Development

We will be talking about how and why we include others in our play.

Physical Development

We will be playing games to help us develop our skills in negotiating space and adjusting speed and direction.

Communication, Language and Literacy

We will be responding to the text, *On Sudden Hill*, through drama, and sequencing the events of the story.

Mathematics

We will be learning about position and time.

Understanding the World

We will be learning how to operate the camera on an iPad.

Expressive Arts and Design

We will be making cardboard box creations, inspired by those made by Birt and Etho in our story.
