Break up for half-term, 3.20pm

October 30

Back to school

Eaglet News

It's hard to believe that we are approaching the end of our first half-term! Despite their tiredness, the children have not faltered in their energy and enthusiasm for learning.

The whole of the Early Years pulled together as a team this week to help empty our sandpit. The children dug, scooped, and dumped sand into bags in anticipation of a delivery of fresh new sand. There were lots of opportunities for sharing and turn taking, using gross motor muscles and developing mathematical language related to space and measure.

We were extremely proud of the children's behavior during a practice fire drill. The children were calm and collected, listened carefully and followed instructions. It prompted some great discussion about fire safety and noticing fire safety equipment and environmental print around the school building.

Reminders

This half-term's Eaglet fund of £3 is now due. If you have not already done so, please send this in to your class teacher. Thank you to those who have already paid.

A Big Thank You

A huge thank you to the PTFA for our delicious teacher's breakfast last week, and for the gorgeous cards we received, that really meant so much!

Book Fair

Another big thank-you to all who supported the Book Fair this week and made purchases. This will earn the school commission which can be spent on books and resources for our pupils. Congratulations to our two Early Years Book Fair competition winners, Mimi Jonsberg RP and Martina Messina RP.

Stars of the week

Nursery – Henry

RP – Claudia

RC - Helen

Nursery

Our learning

This week in pictures

Henry made a fantastic castle from wooden blocks.

Next week

Personal, Social and Emotional Development

We will be thinking about using 'kind hands'.

Physical Development

We will continue to develop our mark-making skills, copying letters from our name.

Phonics

We will continue to develop our awareness of environmental sounds.

Communication, Language and Literacy

We will be focusing on answering questions in full sentences.

Reception

Our learning

This week in pictures

Some friends from Butterflies built a car from wooden blocks, complete with driver's seat!

Next week

Personal, Social and Emotional Development

We will be talking about privacy and how 'my body is for me'.

Physical Development

We will be developing our skills in negotiating space by adjusting speed and direction.

Communication, Language and Literacy

We will be writing shopping lists for Harvest Festival.

Mathematics

We will begin looking closely at numbers within 3.

Understanding the World

We will be learning about Harvest Festival and how it is celebrated.

Expressive Arts and Design

We will be experimenting with printing techniques.
