

Upcoming Events

Eaglet News

A warm welcome back to all! The children took the return to school in their stride and leapt straight back in to their learning. We have been learning about Fireworks Night this week, describing and, in some cases, remembering fireworks, and creating some beautiful firework art. We are currently crossing our fingers and toes that the rain stays off for our EYFS bonfire on Friday afternoon!

In Nursery, we have noticed a significant change this week in the children's confidence with one another and their bonding as a class. We have been hearing lots of children speaking to their friends by name, as well as being willing to step outside their comfort zones and play with new friends.

As part of Black History Month, the children in Reception took part in an African music dance workshop. They danced to the song *He Lives in You* from the Lion King, one of Miss Cook's favourite films! The children were excited to help Mrs Annear prepare for her upcoming wedding. They were delighted to participate in a special assembly to celebrate this special day.

Eaglet Fund

Please be reminded that Eaglet Fund of £4 is now due for this half term. We would greatly appreciate a prompt payment as this is an essential means through which we provide vital resources to enhance your child's learning.

Stars of the week

Nursery – Asher

RA – Michael

RC – Ariella

Reception

Our learning

This week in pictures

EYFS loved celebrating Mrs Annear's upcoming wedding and presenting her with her gifts.

Next week

Physical development

We will be experimenting the different ways our bodies move.

Communication, Language and Literacy

We will be introduced to our reading scheme *Power of Reading* and looking at an amazing (top-secret) book.

Mathematics

We will be focusing on addition and subtraction of numbers within 6.

Expressive Arts and Design

We will be creating pictures using natural materials.

Understanding the World

We will be looking at the differences of the weather changing.

Nursery

Our learning

This week in pictures

The children had a wonderful sensory experience as they explored colour-mixing in shaving foam.

Next week

Physical development

We will be learning about the importance of washing our hands in preparation for some cookery.

Communication, Language and Literacy

We will be looking in greater depth at the well-known story, *The Gruffalo*, as part of our Power of Reading scheme.

Mathematics

We will be exploring capacity as we measure ingredients to make 'Gruffalo crumble.'

Expressive Arts and Design

We will be exploring colour mixing to create our own gruffalos with paint.

Understanding the World

We will be learning about the woodland animals that feature in the story.
