HALF TERM – no school

February 20

Back to school

Eaglet News

Our week got off to a flying start with the children hosting their Grandparents' tea parties. They worked so hard getting everything ready for their special guests – from making sandwiches to creating flowers and decorations for the tables.

A wonderful time was had by all, and we are delighted to announce that we raised a whopping £253.62! A big thank you to all for your support.

There was a buzz of scientific activity around the Early Years this week. Nursery had a fabulous time exploring magnetism and went for a walk around the school finding materials that were magnetic and non-magnetic. Reception children continued to explore taste and some observed sugar being dissolved in water.

It is lovely to see the children's mark-making and writing really taking off. Remember to keep a record of any 'wow' moments over half-term – we'd love to hear about them!

Wishing you all a safe and restful half term.

Next half term's learning:

We are looking forward to another great half term of learning when we come back. Nursery will be beginning a new *Power of Reading* text...this is currently top-secret, but do look out for tyre tracks in the early years playground!

Reception will be beginning to look at poetry. Why not enjoy some poems with your child over half-term? Following on from the children's enthusiasm for the sugar experiment, we will continue to investigate changing states and dissolvable materials after half-term.

Reminders

Next half-term's Eaglet fund of £3 will be due our first week back. Please send this to your class teacher in a named envelope.

'Stay and Play' and 'Show and Tell'

Don't forget that Reception will be rolling these out after half term. Please refer to the letters that were sent out for a reminder of dates. Thank you to those who signed up for stay and play.

Stars of the week

Nursery – Jude

Reception 1 – Angel

Reception 2 - Bianca

Grandparents' Tea Party

We are delighted to announce that our 'Project Greenfingers' fund is now almost £600! This means that we hope to begin work on our flower beds soon. A huge THANK YOU to all for your generosity and support.

Our fundraising, however, will not stop here! We hope to host more events so that we can continue to provide enhancements for the Early Years playground. More information coming soon!
