5th December – Reception trip to Putney

18th December Ladybirds
Christmas performance

19th December Butterflies
Christmas performance

20th December Nursery Christmas
performance

Eaglet News

This week in Reception we have continued with our 'Under the sea' theme and we have focused on the book 'The Rainbow Fish'. We worked really hard at ordering and sequencing the story and we have thought about what being a good friend means. We have also continued to practice our Nativity and we received our speaking parts. The children are doing really well and it is making us very excited to perform it in front of our families.

Nursery have been huffing and puffing like big bad wolves all around Early Years this week as we have been learning about some of our favourite traditional tales. There was some amazing storytelling taking place on our stage and in our puppet theatre, as the children memorized simple refrains from these familiar stories. We also had the pleasure of rehearsing some of our Christmas show songs for Year 1, to help us get used to having an audience.

Eaglet Fund

As it is now the beginning of a half term, the next £4 eaglet fund is due. Please pass this along to your class teacher, thank you.

Pirate day (Nursery & Reception)

To celebrate the end of our topic early years will be holding a Pirate day on Thursday 29th November. On this day we would like the children to come to school dressed as a pirate.

This could be as simple as wearing a bandana or eye patch or a full pirate costume.

Reception school trip

On Wednesday 5th December both reception classes will be going on a trip to Kids stuff toy shop in Putney. We will be looking at the prices of toys and getting inspiration for our Christmas role play area. Thank you for those who have volunteered. If you would like to volunteer please speak to your class rep.

Tapestry

Don't forget to share your child's home learning with us on Tapestry! Thank you to all those parents who have already uploaded words, photos, or videos. We truly love to see all the exciting learning that happens when we're not there! If you need help to get started, please do speak to your class teacher, who will be happy to help!

Stars of the week

Nursery – Lena

RO – Cassie

RC – Flynn

Reception

Our learning

This week in pictures

The children enjoyed observing the snail in the EYFS playground.

Next week

Physical Development

We will be handling different tools to make pirate hats and telescopes.

Communication, Language and Literacy

We will move onto our new topic of 'Pirates'

Mathematics

We will be looking at money and using language related to money.

Expressive Arts and Design

We will be creating our own maps to search for the hidden treasure.

Nursery

Our learning

Retelling the story, 'The Gingerbread Man'.

Next week

We will be learning all about pirates! Do you have any books, toys, costumes, treasure, telescopes, or other pirate goodies that your child can bring in to share with the class?
