

Eaglet News

We have made it to the end of the half term, and what a half term it has been! It hasn't been a 'normal' half term at school for many children in the Early Years; nevertheless, it has been a half term filled with hard work and fun. The teachers are so proud of the children, those at home and at school, for their resilience, adaptability to change, their patience and their positive attitude to every day. An ongoing thank you to the parents - your support towards your child's education is so important and wonderful to see. The half term holiday is very well deserved by all and we hope you have a lovely and relaxing time at home.

Reminders

Naming Items

As the weather continues to be cold, please ensure that every item your child comes to school with is clearly named. This includes hats, both gloves, scarves and Wellington boots. This will ensure that children can recognise their own items and we know who they belong to.

World Book Day – 5th March 2021

World Book Day is on the 5th of March. On this day children can come into school dressed up as their favourite book character. If you're at home, we would love to see you dressing up too. We look forward to seeing some wonderful costumes!

Reception Celebration Assembly

Please be aware that a member of the school's governing body will be joining us for Reception's first Zoom Celebration Assembly after half term.

Stars of the week

Nursery – Alfie

RP – Olivia W

RPY – Willow

Reception

Our learning

This week in pictures

We all worked very hard to use our Phonics sounds whilst writing.

Next week

Daily Challenges

- Sing the 'days of the week' song in tune to the Addams Family song. <https://www.youtube.com/watch?v=oKqAblcwFOA>
- Count forwards and back to twenty.
- Read a book of your choice with or to someone at home.
- Practise your sound flashcards.
- Practise blending your green words and red words.
- Write your name. If you already know your name, move on to your surname, or a sibling or family member's name.

Communication, Language and Literacy

We will be starting a new book!

Mathematics

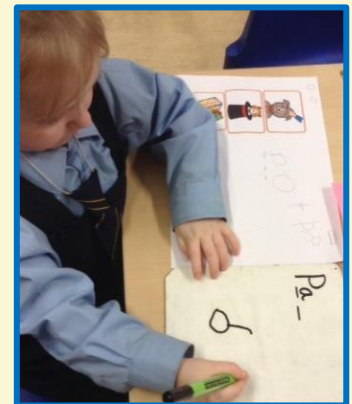

We will be continue to explore grouping and sharing.

Foundation (Understanding the World)

We will continue to learn about healthy eating.

Physical Education

Look out for more exciting activities from Mr Welch.

Nursery

Our learning

This week in pictures

We enjoyed dressing up as some of our favourite superheroes!

Next Week

Communication, Language and Literacy

We will be looking at our new book, 'Bedtime for Monsters'. We will be looking at story structures and our skills of retelling a story. In Phonics we will begin exploring oral segmenting and blending.

Mathematics

We will begin to explore height through a range of activities.

Physical Education

We will be looking at Gymnastics.

Foundation

We will be exploring the feelings and emotions of ourselves and others.

Creative Day

On Friday 26th February we will be taking part in Creative day. We will be exploring a poem and completing some arts and crafts.
