5th December – Reception trip to
Putney

18th December Ladybirds Christmas
performance

19th December Butterflies Christmas
performance

20th December Nursery Christmas
performance

Eaglet News

This week in Reception we had an unusual visitor! A cheeky pirate came into Ladybirds and Butterflies and took some of our toys! Thankfully on Thursday they left us a treasure map and we carefully followed it and found our belongings. This inspired us to make lots of pirate themed crafts such as hats, telescopes and treasure maps.

Nursery were also in a pirate-frenzy this week, listening to lots of stories and learning plenty of new vocabulary. We are becoming very interested in our online journals, and have been enjoying looking at them and sharing our learning with our friends. The chance to have their work recorded in their journals has been very motivating! We continue to enjoy seeing the children's home learning through Tapestry.

Pirate day (Nursery & Reception)

To celebrate the end of our topic early years will be holding a Pirate day on Thursday 29th November. On this day we would like the children to come to school dressed as a pirate. This could be as simple as wearing a bandana or eye patch or a full pirate costume.

Reception school trip

On Wednesday 5th December both reception classes will be going on a trip to Kids stuff toy shop in Putney. We will be looking at the prices of toys and getting inspiration for our Christmas role play area. Thank you for those who have volunteered. If you would like to volunteer please speak to your class rep.

Nativity costumes (Reception)

Please check your child's book bag for a letter regarding their costumes for the Christmas performance.

Stars of the week

Nursery – Bella

RO – Ashaya

RC – Vivienne

Reception

Our learning

This week in pictures

Next week

Physical Development

We will be moving in different ways as we will all complete a pirate's obstacle course.

Communication, Language and Literacy

We will be focusing on the book 'The Night Pirates'

Mathematics

We will be taking a first look at adding and subtracting.

Expressive Arts and Design

We will be using junk modelling to create our own pirate ships.

Understanding the World

Will be using different healthy foods to make pirate faces.

Nursery

Our learning

This week in pictures

Lovely collaborative mark making to create a large-scale treasure map.

Next week

Physical Development

We will be moving in different ways as we will all complete a pirate's obstacle course.

Communication, Language and Literacy

We will be concentrating on using adjectives to describe pirate characters through a range of texts.

Mathematics

We will be using shapes appropriately to make pirates.

Expressive Arts and Design

We will be using junk modelling to create our own pirate ships.

Understanding the World

Will be exploring floating and sinking.
