

Dates for you Diary

Thursday 6th May – School closed to pupils for Polling Day/Parent consultations

Eaglet News

What a wonderful first week of summer term we have had! The adults in Early Years are really proud of the children for settling back into routines so well and for having such positive attitudes. It was great to see everyone's big smile on Monday morning.

This week, all classes have been making the most of the sunshine and our playground. The children have really enjoyed spending more time outside; exploring our sand pit, mud kitchen, bikes and climbing frames. It's been wonderful to see so many children sharing equipment and taking turns.

Reminders Labelling Uniform

Please ensure every item of your child's uniform is clearly labelled with their name. We have an increasing number of items going missing and being misplaced due to not being named. This also supports your child in recognising their own items.

Sun hats and Sun cream

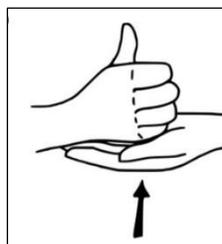

As the weather gets warmer, we encourage children to bring a school peaked cap in. Please remember that children spend a significant amount of time outside and so may need sun cream applied before arriving at school.

Donations of Wellies Welcome

We ensure children wear wellies when playing in the sand pit and the mud kitchen. If you have any old/ unused or spare child sized wellies we would really appreciate a donation to add to our rack of wellies for the children to use.

Makaton – Word a Week

This week's Makaton sign is *Help*. Please feel free to practice our word a week at home!

Stars of the week

Nursery – Archie

RP – Olivia D

RPY – Olivia T

Reception

Our learning

This week in pictures

Reception loved making 'bog babies' out of playdough!

Next week

Communication, Language and Literacy

We will be exploring our book 'The Bog Baby' further and writing captions for bog babies.

Mathematics

We will be learning about doubling and halving.

Physical Development

We will be practicing to negotiate space.

Religious Education

We will be learning about the Christian story of Creation.

Nursery

Our learning

This week in pictures

This week Nursery planted some beans in a jar so we can watch them sprout. We look forward to planting them in soil once they are ready!

Next Week

Communication, Language and Literacy

We will be reading the story 'Aaarrgghh, Spider!' We will be listening to and comparing our opinions of spiders and finding out more information about them. In Phonics will become familiar with more single letter sounds.

Mathematics

We will begin to name 3D shapes.

Physical Education

We will be developing our skill of jumping and our fine motor skills of threading when we look at spider webs.

Personal, Social and Emotional

We will be developing our ability to share information about our homes and lives with our friends. We will be developing our self-confidence through show and tell.
