

# Eaglet News

It has been a very busy week here in Early Years! The children in all classes have really enjoyed exploring their Power of Reading texts further and have loved responding to the story in lots of different ways.

Nursery have been looking at the story, 'Aaaarrgghh Spider!' They have learnt all about a spider's habitat, what they look like and how they catch their food. Nursery enjoyed creating their own spider's web and imagining what it would feel like.

In Reception they have been looking in more depth at the story 'Bog Baby'. The children challenged themselves to sequence the pictures of the story using language from the book. They developed their writing skills and descriptive language to label what they imagined it would feel like.

## Reminders

### Class Photographs

Class photographs are being taken on Wednesday 5<sup>th</sup> May. The photographs will happen at the beginning of the day. Therefore, please ensure your child arrives promptly to school with the correct school uniform to ensure they are a part of their class photo.

### Donations of Wellies Welcome

We ensure children wear wellies when playing in the sand pit and the mud kitchen. If you have any old/ unused or spare child-sized wellies, we would really appreciate a donation to add to our rack of wellies for the children to use.

### Makaton – Word a Week

This week's Makaton sign is *Toilet*. Please feel free to practise our word a week at home!

## Dates for you Diary

**Wednesday 5<sup>th</sup> May** – Class Photographs

**Thursday 6<sup>th</sup> May** – School closed to pupils for Polling Day/Parent consultations

## Stars of the week

Nursery – Ella

RP – Alex M

RPY – Millie

# Reception

## Our learning

This week in pictures

We really enjoyed creating freeze frames from our story 'Bog Baby'!

### Next week

#### Communication, Language and Literacy

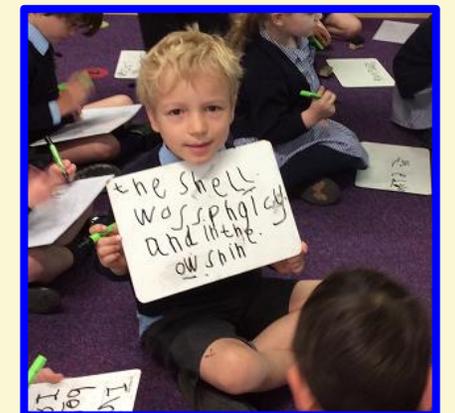

We will be continuing our story, 'Bog Baby'.

#### Mathematics

We will consolidate our learning of doubles and halves.

#### Religious Education

We will be describing God's creations.

# Nursery

## Our learning

This week in pictures

*Nursery have really enjoyed practising the skill of jumping through different obstacle courses.*

### Next Week

#### Communication, Language and Literacy

We will be exploring features of our planet. We will be discussing and thinking about how we can look after our planet. In Phonics we will continue to learn our single letter sounds.

#### Mathematics

We will be recognising and naming 3D shapes.

#### Physical Education

We will be developing the skill of jumping with control. We will be practising our fine motor skills through using scissors.

#### Personal, Social and Emotional

We will be developing our ability to add a narrative to our play as doctors.
