

Eaglet News

We have had lots of fun in Early Years this week! In Nursery the children have enjoyed exploring our story, 'Handa's Surprise', and finding out about the setting of the story, Kenya. In Reception they explored the word 'habitat' and loved created their own habitat for their 'Bog Baby'.

Today we say good bye to our trainee teacher, Mr Johnson, as he leaves us on his journey to having his own class in another school. Reception have really enjoyed getting to know Mr Johnson and participating in his exciting lessons. We wish Mr Johnson all the best for his next adventure and want to say a huge thank you for all his hard work. He will be missed!

Reminders

Book Bags

Please can we ask that you check your child's book bag at the end of every school day. There are often important letters or messages for you as parents.

Makaton – Word a Week

This week's Makaton sign is *Tired*. Please feel free to practise our Word a Week at home!

If you have been celebrating Eid this week, we send you warm wishes and happiness as you celebrate.

Tapestry Corner

We love seeing your children's home learning via their Tapestry online journals.

Has your child dressed themselves independently for their school day? Please share any photographs or videos of your child doing up buttons, putting on their own shoes or doing up a zip, for example.

Stars of the week

Nursery – Noah

RP – Ava May

RPY – Albert

Reception

Our learning

This week in pictures

We have loved watching the friendships and relationships in Reception deepen.

Next week

Communication, Language and Literacy

We will be exploring a non – fiction text that will remain top secret for now!

Mathematics

We will be completing our unit of shape and beginning a unit on addition and subtraction.

Circle Time

We have been learning about the 'Zones of Regulation', and the children have already explored how it feels to be in the 'green' and 'yellow' zone. Next week we will explore the feeling of being in the blue zone.

Nursery

Our learning

This week in pictures

Nursery enjoyed planting our beans into the soil and are excited to watch them grow!

Next Week

Communication, Language and Literacy

We will be exploring the topic of healthy eating and learning how to look after our bodies. In Phonics we will continue to learn our single letter sounds.

Mathematics

We will be exploring ABCABC patterns.

Physical Development

We will be exploring the importance of washing our hands thoroughly and finding out more about germs.

Personal, Social and Emotional

We will be exploring different fruits and vegetables and sharing our favourite.
