

Eaglet News

Welcome back to all Early Years children. We hope that your self-isolation went smoothly, it was lovely to see the amazing home learning uploaded via Tapestry as always!

This week has been Art Week at St John's, what a fun way to return to school and get stuck in with some creativity. The theme this year was 'Our Wonderful World' and we were learning about and creating art related to the African savannah. The children explored the savannah environment, the animals that live there and even made some West African food - fufu! Well done to all, we've been extremely impressed with the creativity shown throughout the week!

On Monday, we will have the opportunity to see the gallery of work from every year group in our school. We are looking forward to this.

Please keep an eye out, on our whole school newsletter, for a link to a video showcasing all the arts and crafts our school got up to this week! We are all very proud.

Reminders

Sport Week

Next week is Sports Week and we have some fantastic sports activities planned throughout the week. All pupils are invited to wear their PE kit in to school on Monday, Tuesday, Thursday and Friday. On Wednesday, children may wear their own sports clothes in to school. This may be a football kit, tracksuit, shorts, or leggings. This will be an active day so please make sure this is practical sportswear. As always, please ensure children are in sensible trainers, and avoid trainers with laces if at all possible.

Makaton – Word a Week

This week's Makaton sign is 'how are you?'. Please feel free to practice our word a week at home!

Tapestry Corner

We love seeing your children's home learning via their Tapestry online journals.

As next week is Sport Week at St John's, we would love to see observations of your child participating in sport or exercising!

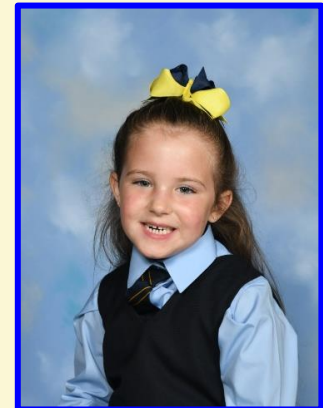

Stars of the week

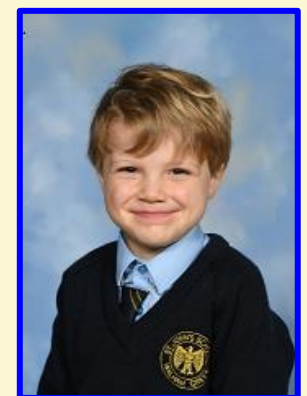

Nursery – Maliah

RP – Sydney

RPY – Wilbur

Reception

Our learning

This week in pictures

Reception loved their picnic this Friday!

Next week

Communication, Language and Literacy

We will continue with our text 'Anna Hibiscus' Song'.

Mathematics

We will begin a unit of work around numbers beyond 20.

Physical Development

Next week is PE and Sports Week. We will be taking part in a variety of activities, such as football with Prostrike, dance and a sports festival.

Nursery

Our learning

This week in pictures

Nursery really enjoyed learning all about the African savannah for Art Week.

Next Week

Communication, Language and Literacy

We will be looking at the book 'The Night Pirates'. We will be looking at story-telling, treasure maps and drama. In Phonics, we will be reviewing our set one speed sounds.

Mathematics

We will be exploring numbers to twenty.

Art and Design

We will be exploring the skill of collage, looking at shape and texture.

Physical Development

Next week is PE and Sports Week. We will be taking part in a variety of activities, such as football with Prostrike, dance and a sports festival.
