11th December – Christmas movie night

17th December – Butterflies class nativity

18th December – Ladybirds class nativity

19th December – Nursery Nativity

Eaglet News

This week in Nursery we have been working very hard on our one-to-correspondence. This means being able to say one number name for one object. We've been doing lots of 'careful counting', making sure we're not rushing ahead and timing our numbers with touching the objects we are counting. We'd love to see some examples of 'careful counting' at home on Tapestry!

This week in Reception we were very excited to have Miss Canadas back with us, especially Miss Cook! She is loving being back with all of us and all the children have been very good at taking care of her. We have been busy this week practicing our Nativity songs for our Christmas show. The children are excited to learn about the Nativity story next week.

Tapestry

Thank you to everyone who attended the Tapestry meetings. If you continue to have any problems, please let class teachers know. Handouts were given out at the meeting so if you would like a copy of these please also speak to class teachers.

Tapestry Corner

We love seeing your children's home learning via their Tapestry online journals.

This week, we'd love to see some examples of **self-care at home**. This could be putting on their own shoes, making their beds, brushing their teeth, or any part of their daily routine that they do independently.

Stars of the week

Nursery – Micah

RA – James

RC – Sonny

Reception

Our learning

This week in pictures

Karim, Sonny and Vosstian were very excited to show me that they had earrings on.

Next week

Physical development

We will be focusing on a lot of big movements in the outdoor area

Communication, Language and Literacy

We will be looking at 'The Nativity' story in preparation for our Christmas show.

Mathematics

We will looking at the new topic of measurement and considering the specific language we use when comparing.

Expressive Arts and Design

We will be learning what happens when we mix colours.

Understanding the World

We will be reflecting on the birth of baby Jesus.

Nursery

Our learning

This week in pictures

The children loved exploring chalk paint for mark making outdoors.

Next week

Physical development

We will be talking about how to dress for the cold weather and focusing on self-dressing skills, including zips, hats, scarves and gloves.

Communication, Language and Literacy

We will be exploring our own and each other's names and the letters within them.

Mathematics

We will continue to work on our one-to-one correspondence.

Expressive Arts and Design

We will be exploring instruments in our music lessons with Mrs Ostler.

Understanding the World

We will be hearing the Nativity story and begin to talk about the Christmas season and how it is celebrated.
