

The Golden Eagle

Another incredibly busy week at St. John's!

It was only a matter of time before we had our first bubble closure and this happened this week with one of our Year 3 classes. We followed the correct processes and the letter parents received was sent from the DfE after the confirmed case had been reported. Remote learning is being provided for the pupils and the classroom has had a thorough clean and is ready for their return on 4th November. This has highlighted to us the importance of the school community wearing a mask at arrival and dismissal times. Please do support us as we want to keep the pupils learning in school.

Just as we were preparing letters to send to parents I received the Ofsted call! The inspector very kindly gave me two hours to deal with the Covid response before calling back. So, yesterday two inspectors came and spent the day with the Senior Leadership Team discussing Covid-19 recovery, the curriculum, attendance, safeguarding and behaviour. Ofsted are carrying out these interim visits on a sample of schools to understand how they are returning to their normal curriculum. There is no graded judgement of the school after this visit. I will share their letter with the parent community once it is received.

Have a safe and restful half term break.

Harvest

Fr Chris held a harvest assembly with Key Stage 1 classes yesterday where all your generous donations were displayed.

PTFA AGM

Thank you to all who attended our AGM meeting on Wednesday 21st October – what a great turn out! The meeting minutes and financial breakdown for school year 19/20 has been emailed to all parents today. All parents, staff and governors of the school are part of the PTFA and we look forward to working with you all over the school year.

If you would like to be directly involved with any of the school initiatives, please email our PTFA Chair: Candace Williams on ptfastjohns@gmail.com

OCTOBER GATEWAY GIVING - Thank you from St. Johns Staff and Governors

We are absolutely thrilled with the amount of support you have given the school during the PTFA's October Gateway Giving initiative.

As a school community, we have raised a total £1,263 to go towards PPE/cleaning materials. Your generosity was also extended to our Amazon Wish list, with a total of £566 worth of PPE and Cleaning materials purchased directly on our behalf. We are also very grateful for an additional £1,850 of voluntary contributions on School Gateway .

Your generosity has far surpassed our fundraising target for October and we are very fortunate to have a school community that supports our efforts to ensure the pupils and staff have all that they need.

IF YOUR CHILD PRESENTS COVID-19 SYMPTOMS

COVID-19 SYMPTOMS

A high temperature:
37.8 Celsius and above

A new, continuous cough:
This means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours.

A loss or change to your sense of smell or taste:
This means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

Your child does **NOT** have Covid-19 symptoms if they have a runny nose, cold or they are sneezing.

AT HOME

DO NOT send your child or any siblings into school.

Call the school office and inform them that your child is displaying symptoms.

AT SCHOOL

Admin office will contact you to collect your child **and** any siblings from school. Collect your child from school via the office gate on Filmer Road. (Parent/carer not permitted to enter school)

Parent/Carer to seek a test for your symptomatic child and any other household members with symptoms by contacting:
<https://www.gov.uk/get-coronavirus-test>

Symptomatic child must stay at home for at least 10 days.

Other household members without symptoms must self-isolate for 14 days.

Pupils and staff members in the same bubble to continue attending school unless they too display symptoms.

Parents should inform the school of the test results

NEGATIVE TEST RESULT

If the test delivers a negative result, your child feels well and no longer has Covid-19 symptoms - they can stop self-isolating and return to school.

Other members of your household can stop self-isolating if they have no Covid-19 symptoms.

[Stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection \(Updated 10 September 2020\)](#)

POSITIVE TEST RESULT

Symptomatic child to self-isolate for at least 10 days from the onset of their symptoms. Your child can return to school after the 10 days only if they do not have symptoms other than a cough or loss of sense of smell/taste.

If your child still have a high temperature, they should keep self-isolating until their temperature returns to normal.
Parent/carer should seek medical advice.

Other members of your household should continue self-isolating for the full 14 days. If anyone in your household becomes unwell during the 14-day period, you should arrange to have a test to see if they have COVID-19.
