Year 6 SATS

A huge WELL DONE to our Year 6 pupils this week. They've completed their SATS tests: Reading, English Spelling, Grammar and Punctuation, Arithmetic and two reasoning papers. This morning they were rewarded with a full English breakfast cooked by the whole school staff.

Fr Mark said a prayer and Anastasia (Y6F) thanked the staff and the lovely ladies in the kitchen for all their help.

...and now our Year 2 classes are about to embark on their SATS.

Parents—please ensure they have plenty of sleep and a good breakfast. They will sit the tests on Tuesday and Wednesday for the next two weeks. Please make sure they have 100% attendance.

Good Luck Year 2!

BIKE/SCOOTER SHED

Parents, please assist your child when putting scooters into the bike shed each morning. Many scooters are being left at the entrance of the shed and this is becoming a hazard to our children and adults alike. Please keep the shed tidy.

Many pupils are still scootering around the playground at the end of the day. Once the children have been dismissed by the teachers they are the parents' responsibility. Please leave the playground promptly and ask your child to walk their scooter out.

PARENTS PARKING

Today the school received a letter from an irate member of the public. This is a local resident who is increasingly angered by the way our parents park both in the mornings and at the end of the school day. This resident has observed parents walking in front of moving cars with their children and not using the zebra crossing. The resident states that parents are parking inconsiderately—on the yellow lines and on corners. A complaint has been sent to the council and to the police. It is unfair for our children and school to gain an unsavoury reputation for something which is beyond their control.

Parents—please park considerately.

Missing Scooter

Harley G-L is missing his black scooter. Please check that you have the correct one. If your child has taken this by mistake please return it to the bike shed.

Here comes the sun....

As the weather heats up please ensure your children wear sun cream and their school caps to school each day.

Safeguarding Procedure Reminders

Entrance and Exit Procedures

Parents are not permitted to enter the main school building from the playground. If you wish to report to the school office, parents must walk around to the entrance on Filmer Road. Additionally, parents are not allowed to use the entrance on Filmer Road as a short cut to enter the playground for drop off in the morning and collection in the afternoon. **All members of staff have been instructed to ensure this safeguarding measure is followed.**

Parents—please respect our safeguarding procedures. They are in place to keep your children safe.
