Cream Tea – more information to follow

Summer at last!

Welcome back everyone. Time certainly flies! It's hard to believe we are now in the Summer Term. This is a very busy and important one for all our pupils.

It is in the summer term that the pupils maximise their learning. Staff will continue to set high expectations for pupils and parents can support us in this by continuing to ensure homework is carried out and discussed with their child/ren. Please do work in partnership with us to ensure that your child at least reaches their potential or, more preferably, exceeds it! An important way that parents can help is to ensure that your child does not miss any learning opportunities. This means we need excellent attendance and punctuality – you would be surprised to discover how just being late 5 minutes each day can impact on a child's learning.

Year 1 pupils will be working towards their Phonics screening test. Parents will be invited along to an information session to hear how they can support their child. Year 1 parents please put 9.00am on Tuesday, 8th May in your diary. This will be a 15 minute information meeting on the Phonics screening test for Year 1 pupils.

This is also the term that some of our pupils will be taking national tests – SATS.

Year 2 pupils will be taking their SATs (due to start in May) and parents are invited to a SATS information meeting on Tuesday, May 1st at 2.45pm.

Year 6 SATs take place week beginning 14th May. Parents are invited to a meeting with Mr Gorman to discuss the timetable for the week and how to support your child. This meeting is on Wednesday, 2nd May at 2.45pm.

E-safety workshops for parents

Please see email letter re e-safety workshops – Wednesday, 25th April.

Sun hats and sun-cream

Now that the sun is here (and hopefully stays) please would parents send in sun hats to be worn in the playground. During the lunch period the playground can get very hot and with little shade available it is really important that your child wears the school sun hat. Of course, if it becomes too hot the pupils will be taken indoors.

Parents of Foundation Stage children please ensure you put plenty of sun-cream on your child in the morning. Children in other years may bring in sun-cream however, they will need to apply this themselves at lunchtime only.

A lovely piece of writing from Melody H, Y20

I write a diary about a journey

Dear diary

Yesterday was an extremely brilliant and exciting day. When I was on my way to Granddad's house, I thought it was going to be normal but it wasn't. I looked in all of his unsell palace but he wasn't there. Just then I heard Granddad he said to come ^{mysterious} the Attic. I never been in Granddad's Attic before. I anxiously climbed the wooden ladder that led in the old Attic. I saw dusty boxes and of course I saw Granddad. All of a sudden the Attic turned into a boat. Granddad told me to open the ^{creaky} door. Soon I could feel fresh air. After that there was a silence but all we could here hear was a rolling wave. I quickly grew tired and exhausted. Soon I felt like I needed to sit down. I saw seagulls, waves, fish and the sky. After 2 hour I saw an Island. It was so huge it was like Mount Everest. I was really amazed when I saw it.

W/C *This is a brilliant diary Melody! Very descriptive. (IHP)

Design & Technology Club
Moving vehicles made during after school club.

Edmund K - Y6

Martha P - Y6

Pupils made moving vehicles using pulleys, circuits and switches.

Michael E-A Y6

Eden E-A Y5

Blue Tie Awards

Y1P	Isabella W	She has been contributing all week and her handwriting has improved significantly.
Y1S	Violette B	For her positive attitude in class after the Easter break.
Y2O	Roman D	For consistently producing great pieces of work across all our lessons and showing brilliant enthusiasm during our first lesson on our new topic of Brazil.
Y2R	Thomas R-W	For great understanding and answers in maths this week when sorting 2D and 3D shapes!
Y3H	Albie T	For his complete enthusiasm for learning. Albie sets the bar very high for himself and will always do his best to achieve his utmost best; an excellent role model for his peers.
Y3L	Riley N-J	For starting the new term with a fresh enthusiasm for learning. In particular, Riley has been making an extra effort with his spellings and handwriting. Well done Riley!
Y4C	Juan G-A	For a tremendous improvement in behaviour, perseverance in Maths and lovely recent work on noun phrases in a poem.
Y4R	Marcus L-N	For fantastic independent and creative work on his Iron Man poem, using exciting adjectives and prepositions.
Y5M	Orchid A	For showing an increased maturity and exceeding expectations in both behaviour and attitude.
Y5P	Jack D	For the amazing effort he put into his Easter project but also his consistent polite manners and respect in class, and around school.
Y6S	Olivia B	For a brilliantly mature attitude towards her SATs build up, especially in her writing efforts.
Y6W		

There was a total of 39 lates this week.

Punctuality is still a problem. Children should be seated and learning at 8.55am NOT arriving at school at this time. They are missing valuable learning time.

Attendance average is 95.1% .

ATTENDANCE – Each class has a target of 96%.

Our Average this week is 96.9%

Class	% Attendance	Lates
NN	88.6	0
RC	94.4	4
RP	93.3	0
Y1P	98.9	0
Y1S	96.0	2
Y2O	93.1	4
Y2R	88.6	3
Y3H	94.3	0
Y3L	96.8	1
Y4C	93.6	1
Y4R	95.9	5
Y5M	99.0	7
Y5P	96.4	4
Y6S	98.2	7
Y6W	100	1
