CREAM TEA

SERVED BY YEAR 6

Some of our parents were treated to a lovely cream tea on Thursday afternoon where they were served by the Year 6 children.

Everyone was really impressed with how professional the children were, and apparently the scones were delicious!

CHRISTMAS STAMP DESIGNS

Thank you to all the children who eagerly brought back their Christmas stamp designs in the hope of being shortlisted for the competition. Ms Wightwick and Madame Louis had the very difficult task of choosing the best pictures to put forward: the effort put into the entries was evident by their high quality!

The entries are now with the Royal Mail. The winners as well as runners up will be notified by the 30th of June. Let's all keep our fingers crossed!

YEAR 3 KEW GARDENS TRIP

We went to Kew Gardens on a beautiful day, thankfully it was not too hot and it didn't rain. In Science, we are learning about the life cycle of flowering plants and our workshop was about this. The Kew Gardens staff were very impressed with our scientific vocabulary because we could name various parts of the flower really well. We gathered many plants on a sticky card and used microscopes and magnifying glasses to observe them closely. We talked about seed dispersal and saw the biggest seed (coco de mer) in the world; it was HUGE! We also ran into a glamorous peacock, saw a family of ducks. We learned so much about the life of bees when we visited the towering, buzzing hive. Did you know that a bee has to visit 4 million flowers to produce one jar of honey?

Thank you very much to our parent helpers,

Year 3

GYMNASTICS COMPETITION On Wednesday pupils from KS2 travelled to St Stephen's Primary School to take part in two Gymnastics events. These Level 2 events acted as qualifying for the London Youth Games (School Games Level 3). The pupils had shown amazing commitment to come into school early once a week for 6 weeks to learn their routines and develop their skills. The event itself was a very close competition with St John's eventually finishing in third place to two very experienced gymnastic squads from other schools. This was a great opportunity for our pupils to compete in a level 2 School Games competition and develop their understanding of what is involved in this level of gymnastics competition. Well do to all the pupils that took part and thank you to Mrs. Brisley for her hard work in helping the pupils prepare for the event.
