KEEPING YOUR CHILD SAFE AT ST. JOHN'S

The school has a legal duty to make every effort to keep children safe. If school staff members have a worry or are told information which should be passed on, we have a legal duty to tell social services.

- schools report;
- social services investigate.

If we have a concern about a child we will usually try to tell the parent before contacting social services. In some situations, though, we will not be able to do so.

When parents receive a call from the school or social services we understand that it can be a very emotional time. Parents should try not to panic but work together with the different agencies. This helps situations to be sorted out quickly and for families to receive the help that they need.

Staff are only told about referrals on a "need to know" basis so information is dealt with in a professional and confidential way.

We always want to keep continued good relationships, even during difficult times.

SIAMS INSPECTION

On 4th October our school underwent a Statutory Inspection of Anglican and Methodist Schools (SIAMS). We are delighted with the report which was published yesterday.

We have sent all parents a copy of the inspection with this newsletter and it is also available on the school website. The report will soon be available to read from the official SIAMS website.

We would like to thank everyone who contributed to the outcomes on the day and also to the staff and pupils who work hard every day to live the Christian ethos of the school.

POPPY APPEAL

From next week, Poppies will be available from school for children to make a donation to the Poppy Appeal. Please can you send pupils into school with a donation to receive a poppy to wear on Remembrance Day.

YEAR 3 TUDORS

Over the half term break Year 3 children have prepared amazing Tudor ruffs as homework. We were very impressed with the creativity and the variety of materials used. We have seen feathers, ribbons, tea paper, coffee filters, doilies, beads, various uses of paper and fabric. The children looked amazing wearing them and they will be blogging about them soon.

YEAR 6 SCHOOL JOURNEY REMINDER

If you would like your child to go on School Journey next year please can you ensure that you have paid the £20 deposit and the additional £20 by **Tuesday November 8th**.

PTFA NEWS

Please join us on **Monday 7th November at 6pm** for a PTFA meeting. The new chair will be outlining some of the upcoming events including the **WINTER WONDERLAND** taking place on Saturday 10th December.

All members of the school community are invited and your children are also welcome to attend the meeting with you.

We will need a lot of 'hands on deck' to help with the WINTER WONDERLAND, so if you are interested about how you can get involved but can't attend the meeting on Monday, please join us on **Thursday 10th November at 9am** for a meeting specifically focused on volunteering for the Christmas event.

For parents who can't attend any of the meetings but are willing to volunteer their time, please contact Mrs Price (Chair of the PTFA) at ptfastjohns@gmail.com and let her know.

GOLF TRIP TO KIDZANIA

At the end of last half term a select group of pupils were invited to Kidzania as guests of the Golf Foundation.

This was a reward for St John's representing the borough in Tri-Golf at the London Youth Games during the Summer Term.

Here the pupils were presented with Golf Foundation T-Shirts and given the opportunity to explore Kidzania. At the end of the trip the 10 pupils decided to put their unspent currency together and purchase the school a new Jenga game to replenish the resources available during wet play time.

This generous donation was made by Finn D, Paris F, Merlin M, Klea D, Dylan H, Tina A, Finlay J, Lottie M, Max G, Kaira B.

LEVEL 1 SCHOOL GAMES COMPETITIONS

To compete the KS2 Unit of Tag Rugby each class held an Inter School (class) Tournament.

Here are team photos from each of the winning teams of the class competitions.

Parents, please assist your child when putting scooters into the bike shed each morning. Many scooters are being left at the entrance of the shed and this is becoming a hazard.

The pitch is out of bounds during drop off and collection times.

Please ensure your child/ren do **not** go onto the pitch at the start or end of the day. The pitch is out of bounds during these times and no one is permitted to cross over the blue rope.

Dear Friends,

Thank you to everyone at St Johns Walham Green CE Primary School for your very kind donation of £2,028.50 to Macmillan Cancer Support. We hope year 6 enjoyed their sponsored walk. Your generosity and support will help us to make sure that no one faces cancer alone.

How you're helping

The money you raised will help fund vital services to support people affected by cancer and their families. So when they're facing a difficult time, they can start to feel more in control.

Christian was one of the many who benefited from having a Macmillan nurse. He recalls: 'I was lucky that I had a fantastic Macmillan nurse who could speak to me and come and visit me. She was wonderful and helped me with a lot'.

If you'd like to know more about our work and how you can get further involved, please take a look through the enclosed leaflet, *Help Us Make a Big Difference*.

Thank you once again for being a part of Team Macmillan.

With best wishes,

Bethan Jones

Having attendance of 90% is the same as having a day off every two weeks. If this trend continues up to the age of 16 a child with 90% attendance will have missed over a whole year of education!
