

The Golden Eagle

Last day of remote home learning!

There's a tangible sense of excitement in the air which I'm sure can be felt at home too! At long last the children are returning. We are desperate to get back to 'normal,' back to teaching and interacting with **all** of our amazing St. John's pupils. It will be great to have the 'buzz' of children and adults around the school again and hopefully, do more activities together as the term goes on.

We hope you had a great World Book Day. I know the staff enjoyed their Zoom reading sessions this morning – I have to admit, I enjoyed sitting in a cosy fox costume all morning! A World Book Day newsletter edition will be out shortly. If you have any photographs, please do send them in.

I am aware that parents receive constant reminders from the school but **please do adhere** to the social distancing guidelines when you return next week and not crowd around the gates. Please only one adult with your child and do wear a face mask. Please do not think that because we are returning the virus has gone away. The last thing we want is a return to bubble closures.

It is essential that we have the most up to date contact information for parents and carers. This is so that we can contact you if your child becomes ill at school or it becomes apparent that they have had contact with another person with Covid-19 symptoms and must be taken home to isolate. Please contact the school office if any of your details have changed.

If you have a laptop/iPad on loan from the school, do remember to return it next week.

Children are expected to return to school in full uniform. A number of children are not wearing the correct St. John's coat. These are in stock at Peter Jones. We will hold a second-hand uniform sale as soon as we have enough items for sale and so if your child has grown out of any uniform items that are of good condition, please do send them into the school.

Thank you for all your continued support during the pandemic. We look forward to seeing you all again next week.

Look out for more WBD work in the newsletter - coming shortly

Reducing transmission:

Hand hygiene is THE single most effective way to prevent the spread of infections and to protect yourself and others.

Norovirus, Seasonal Flu , E Coli 0157 and COVID -19 can all be spread by contact with contaminated surfaces, i.e. touching a contaminated surface and then transferring the infection to yourself through ingestion, or other people and onto other surfaces.

AREAS FREQUENTLY MISSED DURING HANDWASHING

Thumbs and fingertips are most frequently missed

Always remember to wash your hands :

- Before eating and drinking
- After using the toilet
- After handling money
- After touching frequent touch points e.g. door handles
- Before and after touching IT equipment, (iPad, phones ,keyboards etc.)
- Before and after using gloves
- Before and after putting on/removing - your mask
- Before and after cleaning equipment and environment
- After travelling to and from work

<https://www.biblegateway.com/passage/?search=Psalm+146&version=NIV>

Psalm 146 is all about why we can put our confidence in God. Unlike human rulers who's plans die with them (verse 4) God's reign is forever (verse 10). And verses 6-9 show us what God is like and therefore what His reign is like: He's the creator of everything, He keeps His promises, He's just, He provides, He frees, He heals, He loves, He protects and He sustains.

There is so much to praise God for in these verses and we can be confident in Him in these uncertain times!

Let's pray:

- Pray for the first week back at school: that staff and children would adjust quickly and enjoy in-person school.
- Pray that staff and children would remain healthy once school starts.
- Pray that we would be a community that reflects God's care for the oppressed, the sick, the hungry, orphans, widows, and those who are struggling and low (verses 7-9).
- Pray for wisdom for our government as they lift Covid restrictions over the next months.

The school may not have proved to be a lucky charm for Fulham FC again this week. However, to celebrate World Book Day, we did feature heavily on the Fulham FC Foundation's Twitter feed. A tweet featuring pupils involved in a WBD Q&A with Playoff Hero Joe Bryan (which has already been viewed over 2,000 times) and another tweet detailing the school receiving a donation of 400 books from the National Literacy Trust gained plenty of likes. This wonderful gesture, facilitated by Fulham FC Foundation, means that we will be able to present every pupil with a new book on their return to school on Monday!
