

We cannot begin to thank you all enough for your help, involvement and enthusiasm on Saturday which all went into to making the Summer Festival the success it was.

The build-up gave a sense of excitement throughout the school and the day itself was fantastic. The school community really pulled together and there was a great feeling of inclusivity with around 100 of you all helping. It was a true example of how wonderful our school community is.

There are also lots of other people who helped make it happen like other family members who looked after your children while you worked, everyone who made a cake, bought a raffle ticket, put property boards up and quite frankly just showed up and soaked up the atmosphere!

Congratulations to all the acts who preformed in St. John's Got Talent. You really did the school proud.

We would also like to say a special thank you to Haus Properties for sponsoring the Festival.

FINANCIAL SUMMARY

INCOME: £7,246

(Sponsor, token sales, raffle, parental donations)

EXPENSES: £1,570

(entertainment, prizes, bouncy castle, licenses, food and drink items)
